# KRS Retiree Healthcare History

**1978** – General Assembly enacted legislation to provide group hospital and medical insurance for recipients of a retirement allowance.

**\*2003** – General Assembly removed retiree health insurance benefits from the inviolable contract for members who began participating on or after July 1, 2003. Retirees must have 10 years of service to be eligible to participate in KRS' health insurance program.

**2006** – For its Medicare-eligible population, KRS began offering self-insured plans for both medical and prescription drug benefits.

**2008** – General Assembly enacted legislation to require retirees who began participating on or after Sept. 1, 2008, to have 15 years of service to be eligible to participate in KRS' health insurance program.

**2010** – KRS implemented Employer Group Waiver Plan (EGWP) – a Prescription Drug Benefit Plan that has a direct contract with Centers for Medicare & Medicaid Services for providing prescription drug coverage to eligible beneficiaries.

**2013** – KRS began offering fully insured Medicare Advantage plans.

*\*The KRS percentage health insurance contribution and inviolable contract protection includes a small population of members who began participating on or after July 1, 2003, and before August 1, 2004, but hired by a participating agency prior to July 1, 2003.*

## Dollar Contribution

**Eligibility requirement** – *Members who began participating between July 1, 2003 and August 31, 2008:*

The member must earn at least one hundred twenty (120) months of service in the state-administered retirement systems. There are 928 eligible, but only 449 have enrolled.

**Eligibility requirement** - *Members who began participating on or after September 1, 2008:*

The member must earn at least one hundred eighty (180) months of service in the state-administered retirement systems.

## Available Benefits

**Non-hazardous members** whose participation began on or after July 1, 2003, will earn a monthly contribution for insurance of ten dollars (\$10) for each year of earned service.

**Hazardous duty members** whose participation began on or after July 1, 2003, will earn a monthly contribution for insurance of fifteen dollars (\$15) for each year of earned service in a hazardous position. Upon the retiree's death, the spouse of a hazardous duty member will receive a monthly insurance contribution of ten dollars (\$10) for each year of hazardous duty provided the spouse is designated as beneficiary and remains eligible for monthly benefits upon the retired member's death.

*The monthly insurance contribution will be increased July 1 each year by 1.5%. The annual increase shall be cumulative and shall continue to accrue after the member's retirement for as long as a monthly insurance contribution is payable to the retired member or beneficiary. As of July 1, 2016 the current rate for hazardous is \$19.48, the current rate for non-hazardous is \$12.99.*
