“Withdrawn Interest” has the meaning set forth in Section 7.7(f).

## 2.2 Determinations.

(a) Any determination to be made under this Agreement or the Partnership Act based upon a majority or other specified proportion or percentage of the “Commitments” or “Aggregate Commitments” and any other vote hereunder or under the Partnership Act involving the Limited Partners and/or the Parallel Fund Limited Partners shall disregard any consent, approval or vote with respect to (i) any BHCA Interest, (ii) any Limited Partner interest held by a Defaulting Partner, (iii) any interest held by the General Partner, any Active Partner or any of their respective Affiliates, (iv) any other interests (in whole or in part) that are not entitled to vote on a particular matter pursuant to the terms of this Agreement or any side letter or similar agreement and (v) in the case of determinations based upon Aggregate Commitments, any Parallel Fund Commitments of Parallel Fund Partners not permitted to vote pursuant to the provisions of the Parallel Fund Agreement or any side letter or similar agreement. Such proportion or percentage shall be expressed as a fraction, based on Commitments or Aggregate Commitments, as applicable, and shall be calculated by excluding from both the numerator and the denominator the aggregate of all interests described in clauses (i) through (v) above; provided that the foregoing exclusion of BHCA Interests shall not apply to BHCA Interests of any BHCA Limited Partner with respect to any consent, approval or vote concerning the issuance of additional amounts or classes of senior interests in the Partnership, the modification of the terms of the Limited Partner interests or the dissolution of the Partnership (in each case, unless such BHCA Limited Partner has provided prior written notice to the General Partner that the regulations promulgated under the BHCA no longer classify limited partner interests permitted to vote on such matters as non-voting interests). Any determination to be made under this Agreement or the Partnership Act based upon a majority or other specified proportion or percentage of certain Persons’ “Limited Partner interests” shall be determined based on the applicable Persons’ Commitments.

(b) The Preferred Return for each Partner shall be determined whenever allocations to the Partners’ Capital Accounts are made pursuant to Section 3.2 or distributions are made pursuant to Section 4.3 or more frequently as deemed appropriate by the General Partner in its sole discretion.

(c) Except for the consent rights of specified groups of Limited Partners specifically set forth herein, the Limited Partners (and, as applicable, the Parallel Fund Limited

Partners) shall be deemed to constitute a single class or group for purposes of all voting and consent rights provided for herein or under the Partnership Act.

(d) For purposes of obtaining any approval or consent under the Investment Advisers Act with respect to a transaction that would result in any “assignment” (within the meaning of the Investment Advisers Act) with respect to the General Partner, the Ultimate General Partner, the Management Company or any other investment advisory affiliate of the General Partner, the General Partner may request such approval or consent and require a response within a specified reasonable time period (which shall not be less than [REDACTED] days), and failure by a Limited Partner to respond within such time period shall be deemed to constitute such Limited Partner’s approval or consent.

### ARTICLE III

#### CAPITAL CONTRIBUTIONS; COMMITMENTS;

#### CAPITAL ACCOUNT ALLOCATIONS

##### 3.1 Capital Contributions.

(a) (i) Subject to Sections 3.1(a)(ii), 3.1(d), 3.1(f), 3.1(g), 7.7, 7.9 and 7.14, each Partner shall make Capital Contributions in an aggregate amount not greater than its Commitment in installments when and as called by the General Partner upon at least [REDACTED] Business Days’ prior written notice (a “Capital Call Notice”). Subject to Sections 3.1(a)(ii)-(iii) and 7.14, such installments shall be made in cash (A) by the Partners (other than Designated Partners) pro rata based upon their respective Management Fee Percentages to the extent they are intended to be used to pay Management Fees, (B) by the Partners (other than Designated Partners) pro rata based upon their respective Commitments to the extent they are intended to be used to pay Excess Organizational Expenses or Placement Fees, (C) by the Partners pro rata based upon their respective Commitments to the extent they are intended to be used to pay Cost Contributions (other than those intended to be used to pay Management Fees, Excess Organizational Expenses or Placement Fees or to pay Partnership Expenses determined by the General Partner to relate to a particular Investment), (D) by the Partners pro rata based upon their respective Sharing Percentages with respect to [REDACTED]

(x) Investment Contributions in respect of a [REDACTED]

(y) Cost Contributions for the payment of [REDACTED]

[REDACTED] Notwithstanding the foregoing,  
as of a date on or after the Initial Closing Date [REDACTED]

[REDACTED] Each cash Capital Contribution to the Partnership shall be made by wire transfer of immediately available funds to an account designated by the General Partner.

(ii) Notwithstanding anything in this Agreement to the contrary, the following provisions shall apply: (A)

(x)

(y)

(iii) Notwithstanding Section 3.1(a)(i)-(ii) above, until the Unapplied Deemed Commitment Amount is reduced to zero, the Designated Percentage of each Capital Contribution required from the General Partner in connection with each Capital Call Notice shall constitute a Deemed Contribution, and such amount instead shall be funded by the Limited Partners (other than Designated Partners) (each amount so funded by a Limited Partner, a “Special Contribution”) pro rata according to their respective Commitments.

(b) If participation by Benefit Plan Investors is “significant” as determined under the Plan Asset Regulation or if the General Partner otherwise so determines, then (notwithstanding Sections 3.1(a) and 3.1(f)) no Capital Contribution shall be made to the

Partnership by a Benefit Plan Investor until the Partnership makes an Investment that qualifies the Partnership as a VCOC. In such event, prior to the time when the Partnership first qualifies as a VCOC, any Capital Contributions of Benefit Plan Investors (and, if determined by the General Partner, other Partners) required by any Capital Call Notice shall be deferred or contributed to an escrow fund established by the General Partner, which escrow fund is intended to comply with Department of Labor Advisory Opinion 95-04A (and, upon the release of such Capital Contributions to consummate an Investment, all Short-Term Investment Income earned thereon shall be either returned to the Partners in the same proportion as the Partners made such Capital Contributions or paid to the Partnership on behalf of the applicable Partners as Capital Contributions). The funds in any such escrow fund shall be invested in Short-Term Investments.

(c) Notwithstanding the provisions of Section 3.1(a)(i), following the expiration of the Investment Period, no Commitments shall be drawn to fund Investments; provided that the Partners shall remain obligated to make Capital Contributions throughout the duration of the Partnership (including during the liquidation and final winding-up of the Partnership) pursuant to their respective Commitments to the extent necessary (i) to pay (or set aside reserves for anticipated) Partnership Expenses, (ii) to fund then existing commitments to make Investments, (iii) to complete investments in transactions that were in process or under active consideration as of the expiration of the Investment Period

(iv)

(v)

(vi)

(vii)

(d) The General Partner may cause the Partnership (or an escrow fund used under Section 3.1(b)) to return to the Partners all or any portion of (i) any Capital Contribution that is not invested in a Portfolio Company or used to pay Partnership Expenses,

or (iii) any Investment Contribution invested in an Investment that has been sold to the Parallel Fund pursuant to Section 6.15(b). The General Partner shall cause the Partnership to return to the Partners the Capital Contributions made to the Partnership (or to an escrow fund under Section 3.1(b)) to the extent such Capital Contributions have not been invested in a Portfolio Company or used to pay Partnership Expenses within 90 days following the date that such Capital Contributions were due pursuant to the Capital Call Notice with respect to which they were made. Amounts to be returned to the Partners that are described in clause (i) above shall be returned to all Partners in proportion to the cash Capital Contribution made by each such Partner and any corresponding Deemed Contributions by the General Partner shall be deemed to have been returned to the General Partner, and amounts described in clauses (ii) and (iii) of such sentence shall be returned to all Partners in proportion to their respective Sharing Percentages with respect to the applicable Investments. All such Capital Contributions that are returned to the Partners and all Capital Contributions returned pursuant to Section 7.6 (excluding payments pursuant to clause (d) thereof) upon the admittance of a new Limited Partner or the increase in the Commitment of an existing Partner shall be treated for all purposes of this Agreement as not having been called and funded or deemed

funded, as applicable (i.e., so that following the return, or deemed return, of such Capital Contributions such amounts shall be deemed to no longer represent Capital Contributions and may be called again by the General Partner according to the provisions of this Section 3.1). To the extent any amount that could be returned to a Partner pursuant to clauses (ii) and (iii) of the first sentence of this Section 3.1(d), or distributed to and recalled from such Partner pursuant to Section 3.1(e), is instead used to pay Partnership Expenses or to make an Investment, subject to Section 3.1(g), the amount so used shall be treated hereunder as if returned or distributed, as applicable, to such Partner and contributed to the Partnership as a Cost Contribution, Bridge Financing Contribution or Investment Contribution, as applicable, made at such time by such Partner based on the use of such amount.

(e)

(i)

or (ii)

(f) If the General Partner determines to cause the Partnership to make an Investment or pay a Partnership Expense on a timetable that may not permit the General Partner to satisfy the capital call procedures specified in Section 3.1(a) and to receive all of the Capital Contributions to be made with respect thereto prior to the proposed date for such Investment or payment, the General Partner may, in its sole discretion, contribute (or cause a Designated Partner to contribute) to the Partnership all amounts necessary to finance such Investment or payment (an “Contribution”). Each such Contribution shall be treated as a Capital Contribution by the General Partner (or a Designated Partner, as appropriate) and shall be treated for all purposes (including U.S. federal income tax purposes) as an equity contribution and not as a loan. If the General Partner or any Designated Partner makes an Contribution pursuant to this Section 3.1(f), the General Partner will provide a Capital Call Notice to each Partner that has not funded such Contribution as soon as reasonably practicable following such Contribution requiring each such Partner to remit to the Partnership an amount equal to (i) such Partner’s ratable portion of the amount of such Contribution that would have been required to be funded pursuant to Section 3.1(a) if a Capital Call Notice had been delivered thereunder for the full amount of such Contribution (after giving effect to Section 3.1(a)(iii) to the extent applicable), plus (ii) a yield on the amount specified in clause (i) above at the Base Rate, adjusted, as applicable, to reflect the actual rate of interest (together with related expenses, if any) payable by the General Partner (or a Designated Partner, as appropriate) to any third party with respect to any amounts obtained from such third party for the purpose of making such Contribution (determined for such Partner for the period elapsing between the day on which the Partnership makes such Investment or payment and the day on which such Partner makes such remittance), and all such amounts shall be

distributed by the Partnership to the General Partner (or such Designated Partner, as appropriate). Each Partner shall be deemed to have made a Capital Contribution as of the date of such remittance to the extent of the remittance it makes pursuant to this Section 3.1(f) above and the General Partner's (or such Designated Partner's, as appropriate) Capital Contributions shall be reduced by the aggregate amount, if any, distributed to it pursuant to this Section 3.1(f). The General Partner (or such Designated Partner, as applicable) shall be entitled to receive distributions pursuant to this Section 3.1(f) of all amounts described in clauses (i) and (ii) above prior to any distributions by the Partnership to its Partners pursuant to Article IV or any other provision of this Agreement.

(g) It is the intent of the Partners that (i) any Partnership Expense or Liability that is incurred in direct connection with the making, maintaining or disposing of an Investment be borne pro rata by the Partners based on their Sharing Percentages with respect to such Investment, (ii) Management Fees be borne by the Partners (other than Designated Partners) pro rata based on their respective Management Fee Percentages, (iii) the benefit under Section 5.2(e) of a reduction in or rebate of the Management Fee resulting from a Transaction Fee attributable to a particular Investment, as determined by the General Partner in its sole discretion, be attributed to the Partners (other than Designated Partners) pro rata based on their respective Sharing Percentages with respect to such Investment, (iv) Placement Fees and Excess Organizational Expenses be borne by the Partners (other than Designated Partners) pro rata based on their respective Commitments, (v) all other Partnership Expenses be borne by the Partners pro rata based on their respective Commitments and (vi) Special Contributions and any contributions described in the last sentence of Section 9.5(b) be made, and any reduction in the distributions to Partners pursuant to Article IV as a result of the application of clause (A) of the penultimate sentence of Section 9.5(b) be borne by the Limited Partners (other than Designated Partners) pro rata based on their respective Commitments. Subject to Section 7.1, the General Partner may alter the obligations of the Partners pursuant to Sections 3.1(a) and 4.6 so as to facilitate effecting such intent. In addition, to the extent that any assets otherwise distributable to a Partner (as determined by the General Partner) are used to satisfy an obligation that the General Partner determines based on the foregoing intent is properly attributable to another Partner, such use shall be treated as an interest free advance by the Partner whose assets are so used, repayable to such Partner as a priority distribution from any amounts otherwise distributable to the Partner deemed to receive such advance. Any contributions or distributions made as a result of this Section 3.1(g) shall be treated as having been made pursuant to such Section(s) of this Agreement and for such purposes as the General Partner shall determine to be appropriate in order to effect the foregoing.

3.2 Capital Accounts; Allocations. The Partnership shall maintain a separate capital account for each Partner (each, a "Capital Account") according to the rules of U.S. Department of Treasury Reg. §1.704-1(b)(2)(iv). For this purpose, the Partnership may, upon the occurrence of any of the events specified in U.S. Department of Treasury Reg. §1.704-1(b)(2)(iv)(f), increase or decrease the Capital Accounts in accordance with the rules of such regulation and U.S. Department of Treasury Reg. §1.704-1(b)(2)(iv)(g) to reflect a revaluation of Partnership property. Items of Partnership income, gain, loss, expense or deduction for any fiscal period shall be allocated among the Partners in such manner that, as of the end of such fiscal period and to the greatest extent possible, the Capital Account of each Partner shall be equal to the respective net amount, positive or negative, that would be

distributed to such Partner from the Partnership or for which such Partner would be liable to the Partnership under this Agreement, determined as if, on the last day of such fiscal period, the Partnership were to (a) liquidate the Partnership's assets for an amount equal to their book value (determined according to the rules of U.S. Department of Treasury Reg. §1.704-1(b)(2)(iv)) and (b) distribute the proceeds in liquidation in accordance with Section 9.5, and each Alternative Investment Vehicle were to do likewise. In furtherance of the foregoing and in accordance with U.S. Department of Treasury Reg. §1.1061-3(c)(3), the Partnership shall (i) determine and calculate separate allocations attributable to (A) the Carried Interest, the Special Profit Interest and any other distribution entitlements that are not commensurate with capital contributed to the Partnership and (B) any distribution entitlements of the Partners that are commensurate with capital contributed to (and gains reinvested in or retained by) the Partnership ("Capital Interest Allocations"), (ii) determine and calculate Capital Interest Allocations in a similar manner with respect to each Partner, and (iii) consistently reflect each such allocation in its books and records, in each case, within the meaning of U.S. Department of Treasury Reg. §1.1061-3(c)(3) (taking into account U.S. Department of Treasury Reg. §1.1061-3(c)(3)(iii)) and as reasonably determined by the General Partner.

### 3.3 Distributions in Kind.

(a) If any security is to be distributed in kind to the Partners as provided in Article IV, (i) such security first shall be written up or down to its value (as determined pursuant to Article X) as of the date of such distribution, (ii) any investment gain or investment loss resulting from the application of clause (i) above shall be allocated to the Partners' respective Capital Accounts in accordance with Section 3.2, and (iii) upon the distribution of such security to the Partners, it shall be deemed to have been sold at the value determined pursuant to clause (i) above and the proceeds of such sale distributed pursuant to Article IV, such that the value of such security shall be debited against the Partners' respective Capital Accounts.

(b) In connection with any distribution of Portfolio Company or other securities in kind, the General Partner may, in its sole discretion, offer to each Partner the right to receive, at such Person's election, all or any portion of such distribution in the form of the net proceeds actually received by the Partnership, on behalf of such Partner, from disposing of the securities that otherwise would have been distributed to such Partner in kind; provided that in the event the Partnership disposes of securities on behalf of a Partner, neither the Partnership nor the General Partner shall, notwithstanding any provision contained in this Agreement to the contrary and to the maximum extent not prohibited by applicable law, have any liability whatsoever to such Partner or the Partnership with respect to such disposition (including with respect to the timing of such disposition) other than for willful malfeasance. Notwithstanding any provision contained in this Agreement to the contrary, any (i) expenses (including commissions and underwriting costs) of such disposition and (ii) gain or loss recognized by the Partnership upon the disposition of such securities (including any increase or decrease in the value of such securities from the value of such securities (as determined in accordance with Article X and Section 3.3(a)) had no election to receive proceeds of a disposition of such securities been made and such securities been distributed to all Partners in accordance with Section 3.3(a)) shall be treated as gain or loss only of those Partners receiving proceeds instead of securities in kind.

(c) Except as set forth in Section 3.3(b), to the extent feasible, each distribution of securities by the Partnership (other than pursuant to Section 7.7) shall be apportioned among the Partners in proportion to their respective interests in the proposed distribution, except to the extent a disproportionate distribution of such securities is necessary to avoid distributing fractional shares.

(d) The General Partner shall provide at least [REDACTED] days' prior written notice to the Partners of any proposed distribution of securities, which notice shall contain the proposed distribution date, a description of the securities proposed to be distributed (including any voting rights), the quantity of securities proposed to be distributed and the equity capitalization of the company whose securities are proposed to be distributed; provided that the General Partner shall not be required to provide the identity of the Person whose securities are proposed to be distributed in such notice if such disclosure is prohibited or if the General Partner determines that such disclosure might diminish the value of or otherwise jeopardize the Partnership's investment in such Person. Upon receipt from a Limited Partner of an Opinion of Limited Partner's Counsel at least two (2) days prior to the proposed distribution date to the effect that a distribution of particular securities to such Limited Partner would result in such Limited Partner owning securities of such Person in excess of the amount permitted under the BHCA or would otherwise cause such Limited Partner to be in violation of an applicable material law, then the Partnership, at the General Partner's election, shall either (i) dispose of such securities and distribute the net proceeds to such Limited Partner in accordance with the provisions of Section 3.3(b) or (ii) only distribute to such Limited Partner such securities to the extent such Limited Partner certifies that they are or the General Partner reasonably determines that they are permitted to be held by such Limited Partner and its affiliates under the BHCA or such other applicable material law ("Permitted Securities"). The "Excess Securities" (i.e., the additional amount the Partnership would have distributed to such Limited Partner but for clause (ii) of the preceding sentence) shall, at the General Partner's election, either be retained by the Partnership in a segregated account or placed into an escrow or other account under the direction and control of the Partnership at such Limited Partner's expense. All future cash proceeds (including cash dividends) with respect to any Excess Securities shall be distributed to such Limited Partner when and as received by the Partnership net of any out-of-pocket expenses incurred by the Partnership in connection with such securities (including commissions, underwriter discounts, escrow fees, costs and expenses, etc.).

(e) In the event a Limited Partner or any of its affiliates disposes of any Permitted Securities previously received from the Partnership, upon request from such Limited Partner, the Partnership shall distribute to such Limited Partner (from the segregated or escrow account) securities that previously constituted Excess Securities but which have become Permitted Securities. Similarly, in the event the General Partner or the relevant Limited Partner learns of (i) a change in the capitalization of a company with respect to which the Partnership holds Excess Securities or (ii) a change in the BHCA or other material applicable law or regulation that permits such Limited Partner to own additional Permitted Securities, it shall deliver notice to the other of them, and upon such Limited Partner's or the General Partner's request, the Partnership shall distribute to such Limited Partner those securities which previously constituted Excess Securities but which have become Permitted Securities.

(f) Each Limited Partner covenants and agrees that, if it receives notice of a proposed distribution in kind, without the prior written consent of the General Partner, it shall not use any information it obtains with respect to a distribution or proposed distribution by the Partnership of securities in kind (including the information contained in such notice) to effect, at any time prior to the actual date and time of such distribution, purchases or sales of or other transactions involving, or contracts for the purchase or sale of or other transactions involving, securities of the same class or series as those distributed, securities convertible into or exchangeable for such securities, or derivatives of any of the foregoing securities. As a condition to, and in connection with, a Partner receiving a distribution in kind of securities, the General Partner may require such Partner to make any representations, warranties and covenants that the General Partner deems necessary, advisable or appropriate. Each Limited Partner further covenants and agrees that it shall be responsible for determining the regulations and restrictions applicable to it in connection with its direct ownership of any securities or other investments distributed to it.

(g) The Partnership shall retain, directly or indirectly, sole dominion and control over all securities referred to in this Section 3.3 (including any securities sold in accordance with Section 3.3(b) and any Excess Securities) until such time as such securities are sold or distributed by or at the direction of the Partnership, with sole discretion over voting and disposition, including determining when to sell such securities. For all purposes under this Agreement (including calculations of distributions and Capital Accounts, but not including allocations of taxable income) other than this Section 3.3, any Limited Partner electing to receive proceeds pursuant to Section 3.3(b) or otherwise pursuant to this Section 3.3 and therefore not receiving a distribution of securities in kind contemporaneously with the other Partners nonetheless shall be treated as if such Partner had received a distribution of such securities in kind in accordance with Section 3.3(a) contemporaneously with the other Partners.

### 3.4 Alternative Investment Structure.

(a) If the General Partner determines in good faith that for legal, tax, regulatory, administrative, accounting, [REDACTED] or other similar reasons it is desirable that an investment be made, restructured or otherwise held utilizing an alternative investment structure, the General Partner shall be permitted to structure all or any portion of such investment outside of or beneath the Partnership, by requiring any Partner or Partners to, and such Partner or Partners, subject to Section 7.14, shall, make, restructure or otherwise hold such investment either directly or indirectly in, and become a limited partner, member, stockholder or other equity owner of, one or more partnerships, limited liability companies, corporations or other vehicles (other than the Partnership) (i) of which the General Partner, an affiliate of the General Partner or one or more of their respective partners, other beneficial owners, members, managers, directors or officers or their respective affiliates shall serve as general partner, manager or in a similar capacity and (ii) that will invest (or hold an investment) on a parallel basis with, or in lieu of, the Partnership; provided that, to the extent required by applicable [REDACTED] with respect to any Portfolio Company, the implementation of such a structure will be subject to the prior approval of any such applicable [REDACTED]. Additionally, the General Partner shall be permitted to form more than one Alternative Investment Vehicle for the making, restructuring or otherwise holding of a single investment and may require that different Partners invest in different

Alternative Investment Vehicles as the General Partner determines in good faith to be necessary or advisable for legal, tax, regulatory, administrative, accounting, [REDACTED] or other similar reasons. The General Partner's obligations under Section 6.6 of this Agreement will apply to any Alternative Investment Vehicle in which an ERISA Partner invests, and the governing documents of each Alternative Investment Vehicle in which an ERISA Partner invests shall contain ERISA provisions, taken as a whole, substantially no less favorable to the ERISA Partners than those contained in this Agreement. Nothing in this Section 3.4 shall restrict or apply to the formation of, or restrict the operation of, the Parallel Fund or the Employee Co-Invest Vehicle. The General Partner may, where it determines it to be appropriate, structure an Alternative Investment Vehicle to hold more than one Investment. Any Investment or portion thereof may be transferred between the Partnership and an Alternative Investment Vehicle after the consummation of such Investment.

(b) In connection with a Limited Partner first being admitted as a limited partner, member, stockholder, or similar equity owner (other than a holder of a beneficial interest in such entity that is not admitted under the applicable law governing such entity as a limited partner, member, stockholder or similar equity owner) of an Alternative Investment Vehicle, the General Partner shall obtain advice of legal counsel that a Limited Partner's investment in such Alternative Investment Vehicle shall provide such Limited Partner with limited liability with respect to third parties.

(c) The Limited Partners and the General Partner (or its affiliate), to the extent of their investment participation in an Alternative Investment Vehicle, may be required to contribute amounts directly to such Alternative Investment Vehicle to the same extent, for the same purposes and on substantially the same terms and conditions as Partners are required to contribute amounts to the Partnership, and such contributions shall reduce the Unfunded Commitment of each Partner to the same extent that such contributions would have reduced such Unfunded Commitment if such contributions had been made directly to the Partnership.

(d) The provisions of this Section 3.4 may be effected by initially forming an Alternative Investment Vehicle, in whole or in part, as an investment of the Partnership, and then distributing the interests in such investment as a special distribution not otherwise subject to the terms of this Agreement to such Partners, and in such amounts, as is necessary, advisable or desirable in order to effectuate the purposes of this Section 3.4, as determined by the General Partner.

(e) Each member of the Partnership Group shall maintain separate books of account and the Partnership shall not commingle its assets and liabilities with those of any Alternative Investment Vehicle. All items of income, gain, loss, and deduction of the Partnership shall be allocated to the Partners and all distributions by the Partnership shall be made to the Partners. All items of income, gain, loss, and deduction of any Alternative Investment Vehicle shall be allocated to the partners, members or other equity owners of such Alternative Investment Vehicle and all distributions by any Alternative Investment Vehicle shall be made to the partners, members or other equity owners of such Alternative Investment Vehicle. Subject to the foregoing, but notwithstanding any other provision in this Agreement to the contrary, the economic provisions of this Agreement (other than Sections 3.1(a)(iii), 5.2(d) and 9.5(d) and the definition of "Available Profits") and the partnership or similar agreement or

instrument governing each Alternative Investment Vehicle are intended to be, and hereby shall be, construed in all material respects and effected in such a manner so as to cause each Limited Partner individually, and the General Partner and its affiliated entities that may be utilized to effectuate this Section 3.4 collectively, to receive the same aggregate allocations and distributions, at substantially the same times, from the Partnership Group as they would have been entitled to receive if (i) all capital contributions to the Partnership Group were made to, and all distributions from the Partnership Group were made by, the Partnership, (ii) all Partnership Group investments were initially acquired by, and were at all times held by, the Partnership, (iii) all Partnership Group expenses (including management fees incurred or paid by any Alternative Investment Vehicle) were incurred and paid solely by the Partnership, and (iv) all Partnership Group management fee offsets were made with respect to the Partnership. Without limiting the foregoing, there shall be no duplication of carried interest, management fees, management fee offsets, recalls of distributions or general partner giveback obligations among the entities that comprise the Partnership Group. In the event that a Limited Partner transfers any portion of its interest hereunder without a corresponding transfer of a proportionately equivalent interest of such Limited Partner in each Alternative Investment Vehicle in which it is a limited partner or similar investor, or if any limited partner or similar investor in any Alternative Investment Vehicle transfers any portion of its interest in any such entity without a corresponding transfer of a proportionately equivalent interest of such Person hereunder, such corresponding transferred and retained interest shall continue to be subject to the provisions of this Section 3.4, unless otherwise determined by the General Partner in its sole discretion. The General Partner may interpret or amend the definitions herein and the other provisions hereof so as to achieve the result described in this Section 3.4, including that the restrictions set forth in Sections 6.2 and 6.4 shall be calculated for the Partnership and all Alternative Investment Vehicles in the aggregate (and not separately for each entity). While the General Partner is not required to have any such interpretation or amendment approved by the Advisory Board, to the extent the Advisory Board does approve any such interpretation or amendment by the General Partner, such interpretation or amendment shall be final and binding on each Limited Partner. Except as otherwise determined by the General Partner on or about the time of formation of any Alternative Investment Vehicle, any issue regarding the interpretation of how the Partnership and such Alternative Investment Vehicle interact shall be governed by the laws of the jurisdiction in which such Alternative Investment Vehicle has been organized. The General Partner may, in its sole discretion, determine whether financial statements for the Partnership and any Alternative Investment Vehicle are prepared as combined financial statements or separate.

(f) The General Partner's giveback obligations pursuant to Sections 9.5(c) and 9.5(g), and the corresponding giveback obligations of the general partners or similar participants in the other Partnership Group members, shall be, in the aggregate, computed as contemplated in Section 3.4(e) and shall be allocated among such Persons pro rata based on the aggregate unreturned carried interest distributions received by each of them or on such other basis as determined by the General Partner. The Special Profit Interest giveback obligations pursuant to Section 9.5(d), and the corresponding giveback obligations of similarly situated partners or participants in the other Partnership Group members, shall be computed separately with respect to each Person comprising the Partnership Group.

(g) Any Limited Partner that defaults on its obligations to any Alternative Investment Vehicle in which it invests and becomes a "Defaulting Partner," "Defaulting

Member” or similar defaulting Person under an agreement or instrument governing such Alternative Investment Vehicle (after giving effect to any applicable cure periods thereunder) shall also be a Defaulting Partner hereunder.

(h) In the event that two or more of the Partnership and/or any Alternative Investment Vehicles are used to make a particular Investment pursuant to this Section 3.4, such Investment shall be made and disposed of by such Persons at substantially the same time and on substantially the same terms, subject to any tax, legal, regulatory, administrative, accounting, [REDACTED] or other similar considerations.

(i) To the extent permitted by and consistent with applicable law, any side letter or similar agreement entered into in connection with this Agreement shall give rise to substantially the same rights, *mutatis mutandis*, with respect to any Alternative Investment Vehicle as it would with respect to the Partnership to the extent such rights are applicable to such Alternative Investment Vehicle.

## ARTICLE IV

### DISTRIBUTIONS

#### 4.1 Distribution Policy.

(a) Subject to Section 4.1(b), the General Partner may in its sole discretion (but shall not be required to) cause the Partnership to make distributions of cash, securities and other property to the Partners at any time and from time to time in the manner described in this Agreement; provided that, except for distributions made pursuant to Section 7.7 and for distributions that the General Partner has offered each Partner the right to receive in the form of net proceeds pursuant to Section 3.3 or with the consent of the Advisory Board, prior to the expiration of the term of the Partnership, in-kind distributions of Investments by the Partnership to the Limited Partners (other than the Designated Partners) pursuant to this Article IV shall include only Investments that (i) [REDACTED]

4.2 Distributions of Short-Term Investment Income. Short-Term Investment Income shall be distributed among the Partners (other than Defaulting Partners) ratably in proportion to their respective interests in the assets generating such Short-Term Investment Income, as determined by the General Partner.

4.3 Distributions of Investment Proceeds. Investment Proceeds from any Investment shall be apportioned preliminarily among the Partners in proportion to their Sharing Percentages with respect to the applicable Investment. 4.5 Loans in Lieu of Distributions In Excess of Basis.

(a) In the event that the General Partner otherwise would receive a cash distribution hereunder pursuant to Section 4.3, Section 5.2(g) or otherwise (other than in connection with the liquidation and winding-up of the Partnership) in excess of its U.S. federal income tax basis in its interest in the Partnership, the amount of such distribution shall not be distributed to the General Partner until such time, if any, as such distribution would not be in excess of the General Partner's U.S. federal income tax basis in its interest in the Partnership. Any amount not distributed to the General Partner pursuant to the preceding sentence may be loaned to the General Partner.

(b) If any amount is loaned to the General Partner pursuant to this Section 4.5, (i) any amount thereafter distributed to the General Partner pursuant to Section 4.3 or otherwise shall be applied to repay the principal amount of such loan(s) to the General Partner and (ii) interest, if any, received by the Partnership on such loan(s) to the General Partner shall be distributed to the General Partner. (a) If the Partnership or any subsidiary thereof incurs any Liability, subject to Section 3.1(g), the Partnership may recall distributions made pursuant to this Agreement pro rata according to the amount that such Liability would have reduced the distributions received by the Partners pursuant to this Agreement had such Liability been incurred by the Partnership prior to the time such distributions were made (in each case, which recalled amounts shall be funded by the Partners within ten (10) days after the date of any notice in the form of a Capital Call Notice or other written request by the General Partner), [REDACTED]

[REDACTED]

(b) For purposes of this Section 4.6, "Liability" means any liability or obligation that the Partnership would be required by this Agreement or otherwise to pay if it had adequate funds, including (i) the expenses of investigating, defending or handling any pending or

threatened litigation or claim arising out of the Partnership's activities, investments or operations, (ii) the amount of any judgment or settlement arising out of such litigation or claim, (iii) the Partnership's obligation to return proceeds following the disposition of any Investment and (iv) the Partnership's obligation to indemnify any Partner or other Person pursuant to Section 6.10 or otherwise.

(c) Any amounts contributed by a Partner pursuant to Section 4.6(a) shall be credited to such Partner's Capital Account but shall not constitute a Capital Contribution hereunder. Any debit pursuant to Section 3.2 on account of a Liability shall be allocated to the Partners' Capital Accounts after crediting the contributions required by this Section 4.6 to the Partners' Capital Accounts.

(d) A Partner's obligation to make contributions to the Partnership under this Section 4.6 shall survive the dissolution, liquidation, winding-up and termination of the Partnership, subject to any limitations on survival expressed elsewhere in this Section 4.6, and for purposes of this Section 4.6, the Partnership may pursue and enforce all rights and remedies it may have against each Partner under this Section 4.6, including instituting a lawsuit to collect any contribution with interest from the date such contribution was required to be paid under Section 4.6(a) calculated at a rate equal to the Base Rate plus six percentage points per annum (but not in excess of the highest rate per annum permitted by applicable law as determined by the General Partner).

(e) The rights and remedies contained in this Section 4.6 shall be exercisable only by the General Partner for the benefit of the Partnership and the General Partner, and nothing in this Section 4.6 is intended to or shall provide any Person that is not a party hereto with any rights or remedies with respect to or under this Agreement.

### GENERAL PARTNER

#### 6.1 Management Authority.

(a) The management of the Partnership shall be vested exclusively in the General Partner (acting directly or through its duly appointed agents), and the General Partner shall have full control over the operations, assets, conduct and affairs of the Partnership. The General Partner shall have the power on behalf and in the name of the Partnership to carry out any and all of the objectives and purposes of the Partnership and to perform all acts and enter

into and perform all contracts and other undertakings that the General Partner, in its sole discretion, deems necessary, advisable or appropriate or incidental thereto, including the power to acquire and dispose of any investment (including Freely Tradable Securities and other marketable securities). In accordance with Section 5.1, the General Partner may appoint the Management Company to manage the affairs of the Partnership. Solely to the extent applicable, the Management Company shall be responsible for risk and portfolio management with respect to the Partnership and, for the purposes of the AIFMD, shall be the alternative investment fund manager of the Partnership.

(b) All matters concerning (i) the allocation and distribution of net profits, net losses, Investment Proceeds, Short-Term Investment Income and the return of capital among the Partners, including the taxes thereon, and (ii) accounting procedures and determinations, estimates of the amount of Management Fees payable by any Defaulting Partner or Regulated Partner, tax determinations and elections, determinations as to on whose behalf expenses were incurred and the attribution of fees and expenses to Portfolio Companies, and other determinations not specifically and expressly provided for by the terms of this Agreement, shall be reasonably determined by the General Partner, and such determination shall be final and conclusive as to all the Partners.

(c) Third parties dealing with the Partnership may rely conclusively upon the General Partner's certification that it is acting on behalf of the Partnership and that its acts are authorized. The General Partner's execution of any agreement or document on behalf of the Partnership is sufficient to bind the Partnership for all purposes.

(d) Notwithstanding anything to the contrary contained in this Agreement, any side letter or similar agreement or any other agreement, the Partnership and the General Partner, in its own name and on behalf of the Partnership, shall be authorized without the consent of any Person, including any other Partner, to take such actions (including any actions set forth in any Subscription Agreement) as it determines in its sole discretion to be necessary or advisable to comply with any anti-money laundering, anti-terrorist, anti-bribery, anti-boycott, sanctions or similar laws, rules, regulations, directives or special measures, and each Limited Partner hereby expressly waives any claim, or the pursuit of any claim, against the Partnership, each Partnership Entity and each other Arctos Person in connection therewith.

(e) From time to time, the General Partner may adopt, revise or rescind investment-related policies with respect to the Partnership for the purposes of regulatory compliance, including for the purpose of establishing regulatory categorization or regulatory treatment of the Partnership, the General Partner and/or their respective affiliates. Such policies may limit or restrict activities of the Partnership and shall be operative to the extent provided in such policies and, for the avoidance of doubt, shall not circumvent the investment limitations set forth in this Agreement.

Notwithstanding anything to the contrary in this Agreement, each Partner understands, acknowledges and agrees that in connection with a Capital Call Notice made for the purpose of repaying any indebtedness for borrowed money permitted hereunder, it shall remain absolutely and unconditionally obligated to fund Capital Contributions under this Agreement called by the General Partner, the Partnership or on their behalf by their lenders (including those required as a result of the failure or excuse of any other Partner to fund its Commitment) without set off, counterclaim or defense. Notwithstanding anything in this Section 6.4(f) to the contrary, the General Partner and the applicable counsel or tax advisor may make any determinations described in this Section 6.4(f) solely by reference to the domestic law of the applicable jurisdiction to which the Covered Transaction relates and without reference to the tax status, domicile or other factors specific to any particular Limited Partner. In addition, as and when requested by a Limited Partner, so long as such request is not unreasonably time consuming, as determined by the

6.6 Plan Asset Regulation. The General Partner shall use its reasonable best efforts to ensure that the Partnership either (a) qualifies as a VCOC on and after the “initial valuation date” (as defined in the Plan Asset Regulation) of the Partnership or (b) otherwise is not deemed to hold Plan Assets under the Plan Asset Regulation. If participation by Benefit Plan Investors is “significant” as determined under the Plan Asset Regulation, at the Partnership’s expense, the General Partner shall furnish to each ERISA Partner that has notified the General Partner in writing of its desire to receive the following, (x) within ten (10) Business Days following the Partnership’s first long-term Investment in a Portfolio Company, an opinion of counsel addressed to the Partnership with respect to the VCOC status of the Partnership, and (y) within 60 days following the end of each “annual valuation period” (as defined in the Plan Asset Regulation) of the Partnership succeeding the date of the Partnership’s first long-term Investment in a Portfolio Company, a certificate from the Partnership as to the Partnership’s qualification as a VCOC.

6.9 No Liability to Partnership or Limited Partners.

(a) To the maximum extent not prohibited by applicable law, none of the General Partner, the Ultimate General Partner, the Management Company or any owner, member, manager, shareholder, partner, director, officer, employee, agent, advisor,

The provisions of this Agreement, to the extent they restrict or eliminate the duties and liabilities of the General Partner or any other Person otherwise existing at law or in equity, are agreed by the Partners to replace such other duties and liabilities of such Person to the maximum extent not prohibited by applicable law.

(b) No Advisory Board member, nor the Limited Partner represented by such member, shall be liable to any Partner or the Partnership for any such Advisory Board member's action taken, or omitted to be taken (but solely with respect to any action or omission of such Advisory Board member in his or her capacity as such), unless [REDACTED]

Neither the General Partner nor the Partnership shall be required to seek indemnification or contribution from any other sources with respect to any amounts paid by the Partnership in accordance with this Section 6.10.

#### 6.15 Parallel Fund.

(a) Each Limited Partner hereby acknowledges and agrees that, in order to facilitate investment by certain investors, the General Partner or the Ultimate General Partner may form and thereafter serve, or have an affiliate serve, as a general partner, managing member, manager, similar controlling Person or management company for one or more partnerships or other entities (all of such Persons designated by the General Partner as a “Parallel Fund,” together with (to the extent the General Partner reasonably determines to be applicable) any alternative investment vehicles created for such entities, are collectively referred to herein as the “Parallel Fund”). If the Parallel Fund is formed, it shall (subject to Sections 3.1(a)(ii), 3.1(g) and 6.15(b), Sections 3.1(a)(ii), 3.1(g) and 6.15(b) of the Parallel Fund Agreement and tax, regulatory and other similar considerations) invest in each Portfolio Company and bear expenses relating to each Portfolio Company in the same proportion of its aggregate capital commitments available for investment as the portion of the Partnership’s aggregate Commitments available for investment that is invested in each such Portfolio Company, in each case on substantially the same terms and conditions as the Partnership’s Investment in the Portfolio Company, subject to

any tax, regulatory, administrative, accounting, legal, [REDACTED] or other similar considerations that may limit the amount, type or timing of investment by the Partnership or the Parallel Fund. Except as set forth in Section 6.15(b), to the extent reasonably practicable, the Parallel Fund shall dispose of any Portfolio Company interests that were acquired in any investment made alongside the Partnership at substantially the same time, on substantially the same terms and in the same relative proportions (based upon the aggregate amount invested in such interests by each of the Partnership and the Parallel Fund) as the Partnership disposes of its investment in such Portfolio Company interests that were acquired by the Partnership in the transaction that gave rise to the investment, in each case except to the extent reasonably necessary or advisable to address tax, regulatory, administrative, accounting, legal, [REDACTED] or other similar considerations; provided that (x) if an Investment is made by one or more Parallel Funds through an acquisition of the securities of an entity that is designated by the Parallel Fund General Partner as a “blocker corporation,” the aggregate amount paid by the Partnership and the Parallel Fund with respect to the purchase of such Portfolio Company shall be allocated between the Partnership and the Parallel Fund acquiring such entity that is designated by the Parallel Fund General Partner as a “blocker corporation” pro rata based on their respective Aggregate Commitments, as adjusted by the General Partner to reflect the participation of any Holding Partnership (as defined in the Parallel Fund Agreement) or in such other proportion as is reasonably determined to be equitable by the General Partner after consultation with its financial and/or tax advisors or as negotiated with the seller of such Portfolio Company, and (y) if one or more entities comprising the Parallel Fund disposes of an Investment through the disposition of the securities of a “blocker corporation” as contemplated by the applicable Parallel Fund Agreement, the aggregate proceeds received by the Partnership and the Parallel Fund with respect to the sale of such Portfolio Company shall be allocated between the Partnership and the Parallel Fund entity or entities using such blocker corporation(s) pro rata based on their respective Aggregate Commitments, as adjusted by the General Partner to reflect the participation of any Holding Partnership (as defined in any Parallel Fund Agreement) utilized by one or more entities comprising the Parallel Fund or in such other proportion as determined to be equitable by the General Partner after consultation with its financial and/or tax advisors or as negotiated with the acquiror of such Portfolio Company.

(b) Notwithstanding anything in this Agreement to the contrary but subject to Section 3.1(a)(ii), from time to time on or prior to 90 days after the later of the Final Closing Date and the “Final Closing Date” (as defined in the Parallel Fund Agreement), and subject to any tax, regulatory, administrative, accounting, legal, [REDACTED] or other similar considerations that may limit the amount, type or timing of investment by the Parallel Fund, the Parallel Fund shall purchase from or sell to the Partnership, at cost plus an additional amount calculated by the General Partner in a manner consistent with the terms of clause (d) of Section 7.6 as if the Partners and Parallel Fund Partners were partners of a single pooled investment vehicle, a portion of any portfolio company investment to the extent necessary for the Parallel Fund and the Partnership to each own the portion of each portfolio company investment as contemplated by this Section 6.15(b) that it would own if all investments had been made as of the date of such transfer; provided that the General Partner may make any equitable adjustments to such purchase price that it believes would be fair or equitable, including to reflect a material change or significant event relating to the value of an investment, accrued but unpaid interest or dividends, prior distributions made to the Partners or Parallel Fund Partners (including distributions in respect of investments no longer held by the Partnership or the Parallel Fund)

with respect thereto and/or the excuse or exclusion of any Partner or Parallel Fund Partner from one or more investments pursuant to Section 7.14 (or any corresponding Parallel Fund provision). Following a sale by the Partnership to the Parallel Fund pursuant to this Section 6.15(b), the General Partner may elect to distribute all or any portion of the proceeds from such sale to the Partners pro rata according to their respective Sharing Percentages with respect to the Investment(s) sold. Such distributed amounts, other than additional amounts, may be redrawn by the Partnership in accordance with Section 3.1. Each Limited Partner hereby consents and agrees to such activities and investments and further consents and agrees that neither the Partnership nor any of its Limited Partners shall have any rights in or to such activities or investments, or any profits derived therefrom. Any agreement with a Parallel Fund Limited Partner of a type that would not be a side letter or similar agreement for purposes of Section 13.8 if entered into with a Limited Partner shall similarly not be a side letter or similar agreement for purposes of Section 13.8. Each Limited Partner hereby agrees and consents to the formation of the Parallel Fund and the execution by the General Partner or the Ultimate General Partner on each Limited Partner's behalf of any amendments, consents or acknowledgments necessary in order to effectuate the foregoing, including amendments to this Agreement in order to enable the General Partner or the Ultimate General Partner to operate the funds on a side-by-side basis.

(c) Notwithstanding anything to the contrary in this Agreement, the General Partner may, in its good faith discretion (and without the act of any other Partner), (i) enter into any agreement (which agreement shall not be a side letter or similar agreement for purposes of Section 13.8) that permits an existing Limited Partner to withdraw from the Partnership and instead participate as a limited partner of the Parallel Fund, or with respect to the [REDACTED] Investor, to adjust its interest in the Partnership and the Parallel Fund or (ii) if the General Partner reasonably determines that a Limited Partner's status as a Partner creates a Partnership Regulatory Risk, require such Limited Partner to withdraw from the Partnership and instead participate as a limited partner of the Parallel Fund, in each case with a Parallel Fund Commitment equal to such Person's Commitment prior to such withdrawal, and, in connection therewith, take any other necessary or advisable action to treat such Limited Partner as if such Limited Partner were a limited partner of the Parallel Fund from the date when such Limited Partner was admitted to the Partnership. Notwithstanding anything to the contrary in this Agreement, the General Partner may, in its good faith discretion (and without the act of any other Partner), require or enter into any agreement (which agreement shall not be a side letter or similar agreement for purposes of Section 13.8) that permits, as applicable, a Person withdrawing from the Parallel Fund pursuant to a provision similar to this Section 6.15(c) in the Parallel Fund Agreement to be admitted to the Partnership as a Limited Partner with a Commitment equal to such Person's Parallel Fund Commitment prior to such withdrawal and, in connection therewith, take any other necessary or advisable action to treat such Person as if such Person were a Limited Partner of the Partnership from the date when such Person was admitted to the Parallel Fund. Notwithstanding anything in this Agreement to the contrary (including Section 6.15(b)) but subject to Section 3.1(a)(ii), the Partnership may, from time to time, at the General Partner's sole election, purchase from or sell to the Parallel Fund at cost, as may be equitably adjusted by the General Partner, or distribute to a withdrawing Partner or receive as a capital contribution from a Partner being admitted, or distribute to the [REDACTED] Investor or receive as a Capital Contribution from the [REDACTED] Investor, a portion of any portfolio company investment to the extent necessary for the Parallel Fund and the Partnership to each own the

portion of each portfolio company investment as contemplated by this Section 6.15(c) that it would own if all investments had been made as of the date of such transfer. In connection with this Section 6.15(c), the General Partner may take any other necessary or advisable action to consummate the foregoing.

#### 6.16 Certain Tax Matters.

(a) The General Partner shall use commercially reasonable efforts to determine (i) whether the Partnership (or any Alternative Investment Vehicle classified as a domestic partnership for U.S. federal income tax purposes) owns, directly or indirectly through one or more entities treated as fiscally transparent or as a PFIC, in each case for U.S. federal income tax purposes, an interest in a “passive foreign investment company” as defined in Code §1297 (a “PFIC”), and (ii) whether any Alternative Investment Vehicle is a PFIC.

(b) If the General Partner reasonably determines that the Partnership (or any Alternative Investment Vehicle classified as a domestic partnership for U.S. federal income tax purposes) owns, directly or indirectly through one or more entities treated as fiscally transparent or as a PFIC, in each case for U.S. federal income tax purposes, an interest in a PFIC, the General Partner shall so notify the Limited Partners. If the General Partner determines in its reasonable discretion that making a “qualified electing fund” election (“QEF Election”) with respect to such PFIC would be desirable for the Partnership (or an applicable Alternative Investment Vehicle) or its Partners, the General Partner shall use commercially reasonable efforts to (i) cause the PFIC to furnish to the Partnership such statements as will enable the Partnership to make and maintain such election and (ii) if such statements are so furnished, cause the Partnership to make such election.

(c) If the General Partner reasonably determines that (i) any Alternative Investment Vehicle is a PFIC or (ii) any Alternative Investment Vehicle that is treated as a “foreign partnership” for U.S. federal income tax purposes owns, directly or indirectly through one or more entities treated as fiscally transparent for U.S. federal tax purposes, an interest in a PFIC, the general partner or manager of such Alternative Investment Vehicle shall (x) so notify the equity owners of the Alternative Investment Vehicle, (y) further notify the equity owners of the Alternative Investment Vehicle if the general partner or manager of the Alternative Investment Vehicle (or, to its knowledge, any of its indirect owners) is expected to make a QEF Election with respect to such PFIC, and (z) use commercially reasonable efforts to obtain and provide to such equity owners such information as they may reasonably require to timely file and maintain a QEF Election with respect to such PFIC.

(d) The General Partner shall use commercially reasonable efforts to cause the Partnership to comply with any filing requirement imposed on any Limited Partner by Code §§6038, 6038B or 6046A and the rules and regulations promulgated thereunder with respect to such Limited Partner’s investment in the Partnership, where the filing by the Partnership would satisfy such filing requirement.

(e) The General Partner shall not cause the Partnership to engage in a transaction that the General Partner knows, as of the date the Partnership enters into a binding contract to engage in such transaction, is (i) a “listed transaction” as defined in

Code §6707A(c)(2) or (ii) a “prohibited tax shelter transaction” as defined in Code §4965 to which any Tax Exempt Partner is treated as a party because such prohibited tax shelter transaction is facilitated by reason of the tax-exempt, tax indifferent or tax-favored status of such Tax Exempt Partner, and shall use reasonable best efforts to determine whether any transaction would be described in clause (i) or (ii) of this sentence at the time the Partnership enters into a binding contract to engage in such transaction. Notwithstanding anything in this Agreement to the contrary, the General Partner shall not be liable to the Partners or the Partnership for the tax or other consequences of a transaction described in this Section 6.16(e) (x) if the General Partner receives advice of counsel or another tax advisor that the applicable transaction is not described in this Section 6.16(e), (y) resulting from changes in the Code, U.S. Department of Treasury Regulations or other guidance issued thereunder after the date the Partnership enters into a binding obligation to engage in the applicable transaction or (z) to the extent that, promptly after the General Partner determines that such transaction is described in this Section 6.16(e), the General Partner notifies a Tax Exempt Partner that such transaction has occurred and offers to treat such occurrence as a Limited Partner Regulatory Problem pursuant to clause (iii) of the definition of “Limited Partner Regulatory Problem” with respect to such Tax Exempt Partner.

(f) The General Partner shall use commercially reasonable efforts to (i) take or cause each non-U.S. [REDACTED], non-U.S. Alternative Investment Vehicle, non-U.S. Intermediate Entity and non-U.S. Parallel Fund to take such actions as may be reasonably required to minimize the imposition of withholding tax under FATCA with respect to any payments thereto, and (ii) cause the Partnership, each Alternative Investment Vehicle, [REDACTED], Intermediate Entity and Parallel Fund to comply with applicable Foreign Account Reporting Requirements. Notwithstanding anything to the contrary contained in this Agreement, (A) the General Partner shall have no liability with respect to any taxes, penalties or interest resulting from the status of any Limited Partner or the failure of any Limited Partner to timely provide any information or otherwise take action required by FATCA or any Foreign Account Reporting Requirements, (B) any such taxes, penalties, and interest payable or otherwise borne directly or indirectly by the Partnership, any Alternative Investment Vehicle, the Parallel Fund or [REDACTED] (or any Intermediate Entity owned by any of the foregoing Persons) shall be treated as specifically attributable to the Partners for purposes of Section 7.8, (C) the General Partner shall use commercially reasonable efforts, to the extent reasonably practicable under applicable law and the governing documents of the applicable Person, to allocate the burden of (or any diminution in distributable proceeds resulting from) any such amounts to those Partners to whom such amounts are specifically attributable (whether as a result of their status, actions, inactions or otherwise), as determined by the General Partner in its sole discretion and (D) the General Partner shall be entitled to rely conclusively on, and shall not be liable for, advice provided in good faith by the Partnership’s independent accountant or other tax advisor in complying with its obligations pursuant to this Section 6.16(f).

## ARTICLE VII

### LIMITED PARTNERS

7.1 Limited Liability. The Limited Partners shall not be personally liable for any obligations of the Partnership and shall have no obligation to make contributions to the Partnership in excess of their respective Commitments specified in Schedule I, except to the extent required by this Agreement or the Partnership Act; provided that a Limited Partner shall be required to return any distribution made to it in error. To the extent any Limited Partner is required by the Partnership Act to return to the Partnership any distributions made to it and does so, such Limited Partner shall have a right of contribution from each other Limited Partner similarly liable to return distributions made to it to the extent that such Limited Partner has returned a greater percentage of the total distributions made to it and required to be returned by it than the percentage of the total distributions made to such other Limited Partner and so required to be returned by it.

7.2 No Participation in Management. The Limited Partners (in their capacity as such) shall not participate in the control, management, direction or operation of the affairs of the Partnership and shall have no power to bind the Partnership. To the fullest extent permitted by applicable law, no Limited Partner (including any Limited Partner with a representative on the Advisory Board in respect of its activities as a Limited Partner) or Advisory Board member in respect of the activities of the Advisory Board shall owe any fiduciary duty to the Partnership or any other Partner.

7.3 Transfer of Limited Partner Interests.

(a) A Limited Partner may not sell, assign, transfer, pledge, encumber, mortgage, grant a security interest in or otherwise dispose of, whether by merger, operation of law or otherwise (a “Transfer”), all or any of its interest in the Partnership (including any transfer or assignment of all or a part of its interest to a Person who becomes an assignee of a beneficial interest in Partnership profits, losses and distributions even though not becoming a substitute Limited Partner) unless the General Partner has consented to such Transfer in writing, which consent may be withheld in the General Partner’s sole discretion, except that (i) such consent shall not be unreasonably withheld with regard to an assignment by a Limited Partner of its entire beneficial interest to its Affiliate if all of the following conditions are satisfied as reasonably determined by the General Partner (or waived by the General Partner in its sole discretion): (A) 

(B) 

(C)

(D)

(E)

(F)

Notwithstanding anything in this Section 7.3(a) to the contrary, the transferor shall remain liable for all liabilities and obligations relating to the transferred beneficial interest (unless the transferee becomes a substitute Limited Partner as provided in Section 7.3(b) or the General Partner otherwise consents in its sole discretion), and such transferee shall become an assignee of only a beneficial interest in Partnership profits, losses and distributions and shall not become a substitute Limited Partner except with the consent of the General Partner as provided in Section 7.3(b). No consent of any other Limited Partner shall be required as a condition precedent to any Transfer or the admission of a transferee as a substitute Limited Partner. The voting rights associated with any Limited Partner's interest shall automatically terminate upon any Transfer of such interest to a trust, heir, beneficiary, guardian or conservator or upon any other Transfer if the transferor no longer retains control over such voting rights and the General Partner in its sole discretion has not consented in writing to such transferee becoming a substitute Limited Partner. As a condition to any Transfer of a Limited Partner's interest (including a Transfer not requiring the consent of the General Partner), the transferor and the transferee shall provide such legal opinions, documentation and information (including information necessary to comply with the requirements of Code §743, if applicable) as the General Partner shall reasonably request.

(b) Notwithstanding anything to the contrary contained in this Section 7.3 or Section 7.7, 7.9 or 7.11, a transferee or assignee of a Limited Partner interest shall not become a substitute Limited Partner without the written consent of the General Partner in its sole discretion; provided that if any such transferee or assignee is an Affiliate of the transferor or is a trust described in Section 7.3(a)(ii) and became a transferee or assignee in accordance with the provisions of this Section 7.3, the General Partner shall not unreasonably withhold its consent to the transferee or assignee becoming a substitute Limited Partner. Any substitute Limited Partner admitted to the Partnership with the consent of the General Partner or otherwise pursuant to this Section 7.3 shall succeed to all rights and be subject to all the obligations of the transferring or assigning Limited Partner with respect to the interest to which such Limited Partner was substituted, including such transferring or assigning Limited Partner's obligation to contribute its Commitment with respect to the transferred interest in accordance with the terms of this

Agreement and any obligations under Section 7.8 attributable to taxes, penalties and interest allocable to the transferring or assigning Limited Partner and/or the transferred interest. The General Partner may modify Schedule I to reflect such admittance of any substitute Limited Partners.

(c) Unless the General Partner otherwise determines in its sole discretion, the transferor and transferee of any Limited Partner's interest shall be jointly and severally obligated to reimburse the General Partner and the Partnership for all reasonable expenses (including transfer taxes, attorneys' fees and expenses and any immediate or ongoing accounting costs attributable to the Partnership's compliance with the requirements of Code §743(b) or (e) with respect to the transferred interest) of any Transfer or proposed Transfer of a Limited Partner's interest, whether or not consummated.

(d) The transferee of any Limited Partner interest shall be treated as having made all of the Capital Contributions made by, and received all of the allocations and distributions received by, the transferor of such interest in respect of such interest.

(e) Notwithstanding any other provision of this Agreement, no Transfer of a Limited Partner's Partnership interest (including any Transfer of an interest in Partnership profits, losses or distributions) shall be permitted if such Transfer would (i) unless the General Partner otherwise consents in its sole discretion, cause (A) the Partnership to have more than 100 partners, as determined for purposes of U.S. Department of Treasury Reg. §1.7704-1(h), or (B) the aggregate Transfer of Limited Partner interests for a given Partnership taxable year to exceed 2% of total Limited Partner interests (excluding for this purpose, any Transfer by a Limited Partner described in U.S. Department of Treasury Reg. §1.7704-1(e), (f) or (g)), (ii) unless the General Partner otherwise consents in its sole discretion, cause the Partnership to lose its ability to rely on the "qualified purchaser" exemption of Section 3(c)(7) of the Investment Company Act, or other exemption from registration under the Investment Company Act upon which the Partnership is entitled to rely at such time, (iii) cause the Partnership to be treated as a publicly traded partnership within the meaning of Code §7704 and U.S. Department of Treasury Reg. §1.7704-1, (iv) cause all or any portion of the Partnership's assets to be deemed to include Plan Assets, (v) cause the Partnership to be required to register the Partnership's Limited Partner interests under the Exchange Act, (vi) unless the General Partner otherwise consents in its sole discretion, cause, create or exacerbate a Partnership Regulatory Risk, or (vii) unless the General Partner otherwise consents in its sole discretion, create a significant risk of causing the results contemplated by any of clauses (i) through (vi), as determined by the General Partner in its sole discretion.

(f) Any Transfer that violates this Section 7.3 shall, to the maximum extent not prohibited by applicable law, be void and the purported buyer, assignee, transferee, pledgee, mortgagee, or other recipient shall have no interest in or rights to Partnership assets, profits, losses or distributions and neither the General Partner nor the Partnership shall be required to recognize any such interest or rights. The General Partner may enter into any agreement (which agreement shall not be a side letter or similar agreement for purposes of Section 13.8) with a Limited Partner to modify the applicability to such Limited Partner of any provision of this Section 7.3.

7.4 No Withdrawal by or Loans to Limited Partners. Subject to the provisions of Sections 6.17(b), 7.3, 7.7, 7.9, 7.15 and 9.4 and any side letter or similar agreement of the Partnership, no Limited Partner may withdraw as a Partner of the Partnership, nor, except as may be required by an applicable [REDACTED] pursuant to its [REDACTED], shall any Limited Partner be required to withdraw from the Partnership, nor may a Limited Partner borrow or withdraw any portion of its Capital Account from the Partnership. Notwithstanding the foregoing, the General Partner may on behalf of the Partnership, without the consent of any Limited Partner, enter into any agreement (which agreement shall not be a side letter or similar agreement for purposes of Section 13.8) that permits a Limited Partner to withdraw from the Partnership in accordance with provisions substantially similar to those set forth in Section 7.7 or any side letter or similar agreement of the Partnership, the Parallel Fund [REDACTED] (e.g., in the event such Limited Partner would be in breach of Section 7.12 of this Agreement or would be in violation of applicable law or policy of such Limited Partner or subjected to a materially burdensome tax, withholding in respect of a tax, law or regulation if such Limited Partner were to continue as a limited partner of the Partnership).

7.5 No Termination; Waiver of Partition. Neither the substitution, death, incompetency, dissolution (whether voluntary or involuntary) nor bankruptcy of a Limited Partner shall, in and of itself, affect the existence of the Partnership, and the Partnership shall continue for the term set forth in Section 9.1 unless sooner dissolved in accordance with this Agreement or the Partnership Act. Except as may otherwise be provided by applicable law in connection with the dissolution, liquidation and final winding-up of the Partnership, each Limited Partner hereby irrevocably waives any and all rights that it may have to maintain an action for partition of any of the Partnership's property.

7.6 Additional Limited Partners; Increased Commitments. [REDACTED]

Any such additional Limited Partner and any Partner with respect to any increase in its Commitment shall be (a) treated as having been a party to this Agreement, and any such increased Commitment shall be treated as having been made, as of the Initial Closing Date for all purposes of this Agreement, (b) required to bear its portion of Partnership Expenses (including the Management Fee (determined without regard to any reductions pursuant to Sections 5.2(d) and 5.2(e)) and Organizational Expenses) whenever incurred, (c) required to contribute, as set forth in Article III, (i) its portion of the Management Fees from the Effective Date, its portion of any excess of Special Contributions over Management Fee reductions pursuant to Section 5.2(d) and its portion of Placement Fees and Excess Organizational Expenses whenever incurred, and (ii) subject to Section 3.1(a)(ii), the same portion of its Commitment as the portion of Commitments contributed by all previously admitted Limited Partners (other than contributions to pay Management Fees, Placement Fees, Excess Organizational Expenses and Special Contributions) from the Initial Closing Date, and (d) required to pay to the Partnership an additional amount calculated at the Base Rate plus two percentage points per annum (determined as of the date of such Limited Partner's admittance to the Partnership or increase in Commitment, as applicable) on each portion of its Capital Contribution (including to fund Management Fees) pursuant to clause (c) of this Section 7.6 from the date such portion of such Capital Contribution would have been made if such Partner had been admitted as a Partner for its full Commitment on the Initial Closing Date (it being understood that no such additional amount

shall be payable on Investment Contributions in respect of the [REDACTED] Investment); provided that the General Partner may make any equitable adjustments to such required contributions and payments and exclude such additional Limited Partner or such Partner with respect to any increase in its Commitment, as applicable, from unrealized appreciation existing at such time to the extent the General Partner believes it would be fair or equitable, including to reflect a material change or significant event relating to the value of an Investment, accrued but unpaid interest or dividends, prior distributions made to the Partners (including distributions in respect of Investments no longer held by the Partnership), the application of the benefit of reductions in the Management Fee pursuant to Sections 5.2(d) and 5.2(e) and proportionately among the Partners (other than Designated Partners) based on Commitments or Sharing Percentages, as applicable, as of the Partnership's final closing and/or the excuse or exclusion of any Partner(s) from one or more Investments pursuant to Section 7.14 and/or the application of Section 3.1(g); provided further that the General Partner may exclude such additional Limited Partner or such Partner with respect to any increase in its Commitment, as applicable, from any or all Investments existing at such time in accordance with Section 7.14. Proceeds therefrom representing additional Management Fees and amounts paid pursuant to clause (d) above thereon shall be paid to the Management Company. The General Partner may elect to cause the Partnership to distribute all or any portion of the other proceeds (excluding the portion of such other proceeds as the General Partner determines may be required for the purchase of investments from the Parallel Fund in accordance with Section 6.15(b)) to the Partners pro rata according to their respective Commitments (as adjusted by the General Partner pursuant to this Section 7.6) or to retain such amounts and apply them to satisfy subsequent Capital Contribution obligations of the Partners. Such distributed amounts, other than amounts paid pursuant to clause (d) above, may be redrawn by the Partnership in accordance with Section 3.1(d). Upon the admittance of an additional Limited Partner or the increase in a Partner's Commitment, the General Partner shall modify Schedule I to reflect such admittance or increase. For purposes of all calculations under this Agreement, any additional amounts paid pursuant to clause (d) above that are distributed pursuant to this Section 7.6 (excluding amounts paid to the Management Company in respect of Management Fees) will be treated as Short-Term Investment Income.

#### 7.7 Regulation.

(a) The General Partner shall use reasonable efforts to ensure that it and the Partnership are in substantial compliance with those provisions, if any, of Applicable Law with which they are obligated by such statutes to comply, subject to the provisions of this Section 7.7. Each Limited Partner shall cooperate with the General Partner and the Partnership in complying with the applicable provisions of any material U.S. federal, state, local or non-U.S. law, shall provide the Partnership any information reasonably requested by the General Partner in complying with any such law or inquiry from any governmental, quasi-governmental, judicial or regulatory authority, agency or entity and shall use reasonable efforts not to take any affirmative action that would create a Partnership Regulatory Risk.

(b) If (i) in the reasonable judgment of the General Partner, a Limited Partner's status as a Partner or a Limited Partner's failure to provide required information under Section 13.6(e) creates a Partnership Regulatory Risk that the General Partner reasonably believes to be significant, (ii) in the reasonable judgment of the General Partner, a Limited Partner's status as a Partner would be reasonably likely to result in a significant and adverse

delay with respect to the activities of, or an extraordinary expense of, or a material adverse effect on, the Partnership, any of its Portfolio Companies or any of their respective Affiliates, (iii) either the Limited Partner or the General Partner obtains an Opinion of Limited Partner's Counsel or an Opinion of the Partnership's Counsel, respectively, to the effect that a Limited Partner has a Limited Partner Regulatory Problem or (iv) a Limited Partner has a Limited Partner Regulatory Problem pursuant to clause (iii) of the definition of "Limited Partner Regulatory Problem" (each such Limited Partner described in this sentence is referred to herein as a "Regulated Partner"), then the withdrawal provisions of this Section 7.7 shall apply. Each Limited Partner shall promptly notify the General Partner in writing of any change in Applicable Law or other event coming to its attention that is reasonably likely to be cause for withdrawal under the provisions of this Section 7.7(b).

(c) Subject to the provisions of Section 7.7(b) and this Section 7.7(c), each Regulated Partner may elect to withdraw from the Partnership, or upon demand by the General Partner shall withdraw from the Partnership, at the time and in the manner provided under Section 7.7(f). The General Partner shall have a period of 180 days (or such shorter period as reasonably recommended in the Opinion of Limited Partner's Counsel delivered pursuant to Section 7.7(b)(iii), but in no event less than 90 days, except where a period of less than 90 days is explicitly required under relevant law) following the General Partner's determination pursuant Section 7.7(b) or delivery of counsel's opinion pursuant to Section 7.7(b)(iii) (the "Remedy Period") to use its reasonable efforts to eliminate the necessity for such withdrawal whether by correction of the condition giving rise to the necessity of the Regulated Partner's withdrawal, an amendment of this Agreement pursuant to Section 13.1, a Regulatory Sale, a Regulatory Solution, or otherwise; provided that (i) the General Partner shall not be required to forgo any investment opportunity on behalf of the Partnership or the Parallel Fund to solve a Limited Partner Regulatory Problem and (ii) the General Partner in its sole discretion shall be permitted to shorten the Remedy Period with respect to any Regulated Partner. Each such Regulated Partner shall reimburse the Partnership for all costs incurred by the Partnership in connection with the withdrawal of such Regulated Partner under this Section 7.7 or any Regulatory Sale or Regulatory Solution with respect to such Regulated Partner's Limited Partner interest.

(d) At any time during the Remedy Period, the General Partner may in its sole discretion offer a Regulated Partner's interest to one or more of the Partners and/or a third party who is not, absent an exemption, a "party in interest" (as defined under ERISA) to such Regulated Partner for a price, payable in cash at closing, equal to such Regulated Partner's Fair Value Capital Account (or such other amount and/or such other terms as may be proposed by the General Partner and agreed to by such Regulated Partner in its sole discretion) (a "Regulatory Sale"). In such event, the General Partner shall specify and implement the procedure for making offers and shall set the time limits for acceptance thereof consistent with the other time limits set forth in this Section 7.7. The General Partner shall be entitled to sell a Regulated Partner's interest on behalf of such Regulated Partner on the terms set forth in this Section 7.7(d) (and the Regulated Partner shall be obligated to sell to such Person (or Persons) the Regulated Partner's interest on the terms set forth in this Section 7.7(d)); provided that, as a condition to the consummation of any sale, the acquiring Person (or Persons) shall agree to become a party to this Agreement and to assume the Regulated Partner's obligation to make future Capital Contributions in an amount equal to the amount of such Person's (or Persons') Unfunded Commitment in respect of the acquired interest.

(e) In the event that a Partnership Regulatory Risk or a Limited Partner Regulatory Problem is based on the Partnership's failure to qualify for an applicable exception under the Plan Asset Regulation and the General Partner determines that the Partnership can qualify for an exception to the Plan Asset Regulation by a reduction in the amount of interests held by Benefit Plan Investors, the General Partner may cause each Benefit Plan Investor's interest to be reduced on a pro rata basis (unless pro rata treatment is inequitable under the circumstances as determined by the General Partner in its discretion) in the amount the General Partner in its sole discretion determines advisable to permit the Partnership to qualify for such exception, with such reduction to be effected in accordance with Section 7.7(f). Alternatively, if requested to do so by the General Partner, the Regulated Partner shall cooperate with the General Partner during the Remedy Period in arranging another method to minimize or eliminate a Partnership Regulatory Risk or a Limited Partner Regulatory Problem (a "Regulatory Solution"), including the formation of a separate entity (on terms not substantially less advantageous to the Regulated Partner than the terms of the Partnership) to hold the Regulated Partner's share (or the share of any employee benefit plan that is a constituent of the Regulated Partner) of the Partnership's securities and other assets or negotiating an in-kind redemption of the Regulated Partner's interest in the Partnership.

(f) If the General Partner does not sell the Regulated Partner's interest pursuant to a Regulatory Sale or provide for a Regulatory Solution or otherwise correct the condition giving rise to the necessity of the Regulated Partner's withdrawal within the Remedy Period, then such Regulated Partner may withdraw or be required to withdraw in whole or in part from the Partnership following the expiration of the Remedy Period as of the date that is the earlier to occur of (i) the last day of the calendar quarter during which the election or demand for withdrawal is made (or such earlier date as determined by the General Partner in its sole discretion) and (ii) such date for withdrawal as may be recommended in the Opinion of the Partnership's Counsel or the Opinion of Limited Partner's Counsel, as appropriate. Upon any withdrawal, there shall be distributed (x) to such Regulated Partner, in full payment and satisfaction of the portion of its interest in the Partnership that is being withdrawn (the "Withdrawn Interest"), an amount, subject to reduction pursuant to Section 7.7(h) below, equal to the withdrawing Partner's Fair Value Capital Account balance as of the effective date of withdrawal with respect to the Withdrawn Interest, payable in cash, cash equivalents, securities or other property (as valued in accordance with Article X as of the date of distribution to the Regulated Partner) as the General Partner in its sole discretion selects and (y) to the General Partner, an amount equal to the unpaid Carried Interest (if any) attributable to the Withdrawn Interest; provided that (A) to the extent that investments are to be distributed in kind, the General Partner shall select investments in an equitable manner so that the withdrawing Regulated Partner receives with respect to the Withdrawn Interest approximately a pro rata portion (based on its interest in the applicable Investments) of the investments held by the Partnership (adjusted to eliminate odd lots and taking into account any limitations on the Partnership's ability to divide a particular investment for distribution in kind), (B) if (1) any investments may not be distributed in kind to such withdrawing Regulated Partner because it (or any employee benefit plan constituent of such Regulated Partner) would be in material violation of Applicable Law as a result of receiving or holding such investments or the Partnership is prohibited by any material law, contract, or agreement from distributing such investments and (2) the distribution of a promissory note as described below would not cause such Regulated Partner or any employee benefit plan constituent of such Regulated Partner to be in material violation of Applicable Law,

then such distribution may include a promissory note of the Partnership containing such commercially reasonable terms and conditions as shall be determined by the General Partner, and (C) any distributions in cash or cash equivalents may be made at such time and in such manner so as not to disrupt the Partnership's operations, business or activities or impair the value of any of the Partnership's investments.

(g) Effective upon the date of withdrawal of any Regulated Partner or the Regulatory Sale of any Regulated Partner's entire Partnership interest, (i) such Regulated Partner's Commitment shall be reduced to zero and, in the case of a withdrawing Regulated Partner, the aggregate Commitments of the Partnership and the Aggregate Commitments shall be commensurately reduced, (ii) such Regulated Partner shall cease to be a Partner of the Partnership for all purposes, and (iii) except for such Regulated Partner's right to receive payment for such Person's Partnership interest as provided above, such Regulated Partner shall no longer be entitled to the rights of a Partner under this Agreement, including the right to receive allocations, the right to receive distributions during the term of the Partnership and upon liquidation of the Partnership and the right to vote on Partnership matters as provided in this Agreement.

(h) Except in the case where a Regulated Partner's withdrawal is caused by the General Partner's failure to comply with the first sentence of Section 6.6, the amount payable to a Regulated Partner pursuant to Section 7.7(f) shall be reduced by an amount equal to the estimated amount of the Regulated Partner's share (based on the Regulated Partner's Commitment assuming that the Regulated Partner had not withdrawn from the Partnership and there had been no reduction in such Regulated Partner's Commitment) of Partnership Expense for the Management Fee (determined, for this purpose, without regard to any reduction of the Management Fee pursuant to Section 5.2(d), 5.2(e), 5.2(f) or 5.2(g)) for the 12-month period immediately following such Regulated Partner's withdrawal (which amount shall not exceed such Regulated Partner's Fair Value Capital Account as of the effective date of withdrawal); provided that if upon the date of a Regulated Partner's withdrawal from the Partnership pursuant to this Section 7.7 the amount calculated above without giving effect to the immediately preceding parenthetical exceeds such Regulated Partner's Fair Value Capital Account as of the effective date of withdrawal, the withdrawing Regulated Partner shall pay to the Partnership in cash an amount equal to such excess. The Partnership shall pay to the Management Company or its designated Affiliate an amount equal to the sum of (i) any reduction pursuant to this Section 7.7(h) in the amount payable to a Regulated Partner pursuant to Section 7.7(f) and (ii) any cash payment by such Regulated Partner pursuant to this Section 7.7(h).

(i) Prior to the time of any Regulatory Sale, Regulatory Solution or withdrawal, a Regulated Partner shall continue to fund its Commitment and shall continue to be a Limited Partner for all purposes of this Agreement; provided that if, as set forth in the Opinion of Limited Partner's Counsel or Opinion of the Partnership's Counsel, such Regulated Partner is prohibited by an Applicable Law from fulfilling its Commitment or the Partnership's assets are, or there is a reasonable likelihood that the Partnership's assets would be, deemed to include Plan Assets, then for all purposes of this Agreement (including Article III and Article IV), such Regulated Partner's Commitment shall be reduced, to the amount of Capital Contributions made by such Regulated Partner prior thereto, and the aggregate Commitments of the Partnership and the Aggregate Commitments shall be commensurately reduced. Nevertheless, except in the case

of a Regulatory Sale, Regulatory Solution or withdrawal caused by the General Partner's failure to comply with the efforts required by the first sentence of Section 6.6, for a period of 12 months thereafter, the Management Fee will continue to be calculated as if there had been no reduction in such Regulated Partner's Commitment and the Partnership Expense for such Management Fee will continue to be allocated among the Partners as if there had been no reduction in such Regulated Partner's Commitment and such Regulated Partner shall pay to the Partnership in cash an amount equal to its share of such Partnership Expense to the extent not paid by any Person (or Persons) that have acquired all or any portion of such Regulated Partner's interest pursuant to a Regulatory Sale or a Regulatory Solution.

(j) Except as specifically provided in this Section 7.7, no consent of any Limited Partner shall be required as a condition precedent to any Regulatory Solution, Regulatory Sale or withdrawal of all or any portion of any Regulated Partner's interest in the Partnership pursuant to this Section 7.7. Furthermore, the General Partner and any Limited Partner may agree in writing to modify such Limited Partner's obligations under, or the applicability to such Limited Partner of, any provision of this Section 7.7 (which agreement shall not be a side letter or similar agreement for purposes of Section 13.8).

(k) Notwithstanding anything in this Section 7.7 to the contrary, (i) no Regulated Partner's interest will be transferred or subdivided, and no Person shall become a substitute Limited Partner, in contravention of Section 7.3(e) and (ii) except as otherwise determined by the General Partner in its sole discretion, no Regulated Partner shall withdraw from the Partnership unless such Regulated Partner also withdraws, to the same proportionate extent, from each Alternative Investment Vehicle in which it has an interest.

(l) In furtherance of and without limiting the foregoing, no Limited Partner who is a "foreign person" under the DPA shall at any time, directly or indirectly (i) have access to, receive or seek to have access to or receive any "material nonpublic technical information" (as defined in the DPA), (ii) determine or decide any important matters affecting the Partnership or any Portfolio Company or (iii) otherwise participate in any "substantive decision-making" as defined in the DPA, in each case, such that the Partnership's Investments or transactions could be subject to review by CFIUS or any similar national security investment clearance regulator.

#### 7.8 Reimbursement for Payments on Behalf of a Partner; Certain Taxes.

(a) If the Partnership or any other Person in which the Partnership holds an interest is obligated to pay any amount to a governmental agency or body or to any other Person (or otherwise makes a payment) because of a Partner's status or otherwise specifically attributable to a Partner (including non-U.S. taxes, U.S. federal withholding taxes with respect to non-U.S. partners, U.S. state withholding taxes, U.S. state unincorporated business taxes that are payable as a result of a Partner's status, and any taxes arising under the Partnership Tax Audit Rules or the Foreign Account Reporting Requirements to the extent that such taxes are payable as a result of a Partner's status), then such Partner (the "Reimbursing Partner") shall reimburse the Partnership in full for the entire amount paid (including any interest, penalties and expenses associated with such payment). At the option of the General Partner, promptly upon notification of an obligation to reimburse the Partnership, the Reimbursing Partner shall make a cash payment to the Partnership equal to the full amount to be reimbursed (and the amount paid shall

be added to the Reimbursing Partner's Capital Account but shall not be deemed to be a Capital Contribution hereunder).

(b) Except to the extent actually reimbursed in cash by a Reimbursing Partner pursuant to this Section 7.8, (i) any Income Taxes paid by the Partnership (or any Intermediate Entity), (ii) any other taxes paid or withheld by the Partnership (or any Intermediate Entity) and (iii) any withholding or similar taxes imposed on amounts payable to the Partnership (or any Intermediate Entity) shall in each case be treated for purposes of this Agreement as an amount actually distributed to the applicable Partners pursuant to Section 4.3 at the time paid or withheld (and the amount of any such tax shall be deemed to have been distributed to such Partners as the General Partner, in its reasonable discretion, may determine). For purposes of this Section 7.8, an amount shall be considered paid or withheld if, and at the time, remitted to a governmental agency without regard to whether the remittance occurs at the same time as the distribution or allocation to which it relates; provided that an amount actually withheld from a specific distribution or designated by the General Partner as withheld with respect to a specific allocation shall be treated as if it were distributed at the time such distribution or allocation occurs.

(c) A Reimbursing Partner's obligation to make reimbursements to the Partnership under this Section 7.8 shall survive the transfer, forfeiture or other disposition of the Reimbursing Partner's Limited Partner interest and the dissolution, liquidation, winding-up and termination of the Partnership, and, to the maximum extent not prohibited by applicable law, for purposes of this Section 7.8, the Partnership shall be treated as continuing in existence. The Partnership or the General Partner may pursue and enforce all rights and remedies it may have against each Partner under this Section 7.8, including instituting a lawsuit to collect such contribution with interest calculated at an annual compounded rate equal to the Base Rate plus six percentage points per annum (but not in excess of the highest rate per annum permitted by applicable law as determined by the General Partner).

(d) For the avoidance of doubt, any taxes, penalties and interest payable under the Partnership Tax Audit Rules by the Partnership or any fiscally transparent entity in which the Partnership owns an interest shall be treated as specifically attributable to the Partners of the Partnership, and the General Partner shall use commercially reasonable efforts to allocate the burden of (or any diminution in distributable proceeds resulting from) any such taxes, penalties or interest to those Partners to whom such amounts are specifically attributable (whether as a result of their status, actions, inactions or otherwise), as determined by the General Partner in its sole discretion.

#### 7.9 Limited Partner's Default on Commitment.

(a) If any Limited Partner (a "Defaulting Partner") fails to make full payment when due (a "Payment Default") of any portion of its Commitment or any other payment required under this Agreement or such Limited Partner's Subscription Agreement or under any corresponding agreement or instrument with respect to the Partnership or an Alternative Investment Vehicle (the amount of such defaulted payments in the aggregate, including all accrued and unpaid interest thereon, and together with any other unpaid amounts that are due and owing by such Defaulting Partner thereunder, the "Defaulted Amounts") and such Payment Default is not cured within [REDACTED] days after written notice to such Defaulting Partner from the

General Partner with respect to such Payment Default, unless such Defaulting Partner is a Regulated Partner and is prohibited by applicable law from fulfilling its Commitment, the General Partner in its sole discretion, on its own behalf or on behalf of the Partnership, may (but shall not be obligated to) pursue and enforce any and all rights and remedies the Partnership, the General Partner and/or the Management Company may have against such Defaulting Partner at law, in equity or pursuant to any other provision of this Agreement or otherwise with respect thereto, including taking any one or more of the following actions in any order of priority (it being understood and agreed that the taking of one or more actions (including those set forth in clauses (i) through (ix) below) (or no action at all) by the General Partner with respect to a Defaulting Partner pursuant to this Section 7.9(a) shall in no way restrict or otherwise limit the General Partner's ability to take one or more other actions not prohibited by this Agreement (or no action at all) and/or in a different order of priority, with respect to any other Defaulting Partner pursuant to this Section 7.9(a)):

(i) In addition to all Defaulted Amounts owed by the Defaulting Partner, the Partnership may (A) accrue and collect interest computed on all Defaulted Amounts and any amount due to the Partnership, the General Partner and/or the Management Company pursuant to this Section 7.9 at a daily compounded rate not to exceed the Base Rate plus six percentage points per annum as such rate shall be determined by the General Partner in its sole discretion with respect to each failure to make such payments, and/or (B) require reimbursement from the Defaulting Partner for all out-of-pocket expenses (including for attorneys' fees and expenses) incurred by the Partnership, the General Partner, the Management Company and any Alternative Investment Vehicle in connection with the collection and other efforts in respect of the Defaulted Amounts (which payment of such interest and expense reimbursement shall not be treated as a Capital Contribution by the Defaulting Partner). The General Partner may require the payment of such interest and expense reimbursement whether or not it exercises any rights or remedies.

(ii) So long as any Defaulted Amounts remain unpaid, the Partnership may withhold all distributions (or portions thereof) that would otherwise be made to the Defaulting Partner pursuant to this Agreement and apply such withheld distributions to offset any Defaulted Amounts owing by the Defaulting Partner to the Partnership, the General Partner, the Management Company or an Alternative Investment Vehicle under this Agreement or any other agreement. For the avoidance of doubt, the application of this Section 7.9(a)(ii) shall not preclude or otherwise limit in any way the application of any and all other remedies provided in this Section 7.9.

(iii) The General Partner may assist the Defaulting Partner in finding a buyer for all or any part of the Defaulting Partner's interest in the Partnership; provided that the General Partner shall not have any obligation to contact any particular Limited Partner or other Person with regard to such sale and shall have no liability to any Partner, including the Defaulting Partner, if no such buyer is found.

(iv) The Partnership, the General Partner, the Management Company and any Alternative Investment Vehicle may pursue a lawsuit to collect the Defaulted Amounts due to the Partnership, the General Partner, the Management Company or any Alternative Investment Vehicle, including amounts owed pursuant to Section 7.9(a)(i) and/or (ix).

(v) Subject to Section 7.9(a)(vii), [REDACTED]

[REDACTED] The General Partner shall provide a notice to each Partner (other than Defaulting Partners and Persons not able to acquire such interests pursuant to Section 7.3(e)) setting forth the amount of the forfeited portion of the Defaulting Partner's interest such Partner is entitled to acquire. In the event that any Partner elects not to acquire its pro rata share of the forfeited portion of a Defaulting Partner's interest in the Partnership, the General Partner in its sole discretion may reapply the provisions of this Section 7.9(a)(v) to such forfeited portion not acquired. Subject to Section 7.9(a)(vii), to the extent a Defaulting Partner's interest forfeited pursuant to this Section 7.9(a)(v) is not reallocated to the Partners, the General Partner may in its sole discretion offer all or any portion of such interest to a third party or parties, each of which shall, as a condition of purchasing such interest, become a party to this Agreement. The sole consideration to the Defaulting Partner for each portion of such Defaulting Partner's interest reallocated to another Partner or purchased by a third party pursuant to this Section 7.9(a)(v) shall be the assumption by such Partner or third party, as applicable, of the Defaulting Partner's obligation to make both defaulted and future Capital Contributions (together, in the General Partner's sole discretion, with interest) pursuant to its Commitment that are commensurate with the portion of the Defaulting Partner's interest being reallocated to such Partner or purchased by such third party. The Defaulting Partner acknowledges that it shall not receive any payment for any interest reallocated to Partners or purchased by a third party or parties pursuant to this Section 7.9(a)(v), including for any funded portion of its Commitment related thereto or such Defaulting Partner's share of any profits not yet distributed, even though the purchased interest may actually have significant positive value at the time of such reallocation or purchase.

(vi) Subject to Section 7.9(a)(vii), to the extent a Defaulting Partner's interest is not forfeited and reallocated pursuant to Section 7.9(a)(v) (including the remaining portion of such Defaulting Partner's interest not subject to forfeiture), if and only if the General Partner in its sole discretion so determines, the Partners (other than any Defaulting Partners and Persons not able to acquire such interests pursuant to Section 7.3(e)) shall, [REDACTED]

[REDACTED] be entitled to acquire the portion of the Defaulting Partner's interest in the Partnership that is not forfeited and reallocated or sold pursuant to Section 7.9(a)(v) at an aggregate price equal to the balance of such Defaulting Partner's Capital Account on the effective date such Defaulting Partner's interest is sold (adjusted, as necessary, to exclude any unrealized appreciation with respect to any Investment and to include all unrealized depreciation with respect to each Investment, as determined by the General Partner in its sole discretion) corresponding to the interest so offered, divided among such Partners pro rata according to their respective Commitments with any adjustment thereto that the General Partner may determine to be equitable in order to reflect any excuse or exclusion pursuant to Section 7.14. At the closing of such purchase (on a date and at a place designated by the General Partner), each purchasing Partner shall, as payment in full for the Defaulting

Partner's interest being purchased by such Partner, deliver, as determined by the General Partner in its sole discretion, (x) cash and/or (y) a non-interest bearing, non-recourse [REDACTED] promissory note (in a form approved by the General Partner), secured only by the Defaulting Partner's interest being purchased, payable to the Defaulting Partner, in an aggregate amount equal to the purchase price for the interest being acquired by such Partner. If the remaining portion of the Defaulting Partner's interest is not purchased in the manner set forth herein, the General Partner in its sole discretion may offer the remaining interest to a third party or parties on terms not substantially more favorable than originally offered to the Partners, in which case such third party or parties shall, as a condition of purchasing such interest, become a party to this Agreement.

(vii) Any Partner or third party acquiring a portion of the Defaulting Partner's interest shall assume the portion of the Defaulting Partner's obligation to make both defaulted and future Capital Contributions pursuant to its Commitment (plus accrued and unpaid interest, if any, owing by the Defaulting Partner pursuant to Section 7.9(a)(i) unless waived by the General Partner in its sole discretion) that is commensurate with the portion of the Defaulting Partner's interest being acquired by such Person; provided that the General Partner shall have the right, in its sole discretion, to reduce the Commitment pertaining to the portion of the Defaulting Partner's interest acquired by a Person to the amount of Capital Contributions made by the Defaulting Partner with respect to such portion of the Defaulting Partner's Partnership interest (which amount of Capital Contributions shall be equal to the pro rata portion of the aggregate Capital Contributions made by the Defaulting Partner with respect to its entire interest) on or prior to the date of the Payment Default, and the aggregate Commitments of the Partnership and the Aggregate Commitments shall be commensurately reduced.

(viii) The General Partner may reduce (and such reduction shall be deemed to be effective as of the actual date of the Payment Default, without giving effect to any applicable cure period, or as of such later date as is determined by the General Partner) any portion of such Defaulting Partner's Commitment (which has not been assumed by another Partner or third party) to the amount of the Capital Contributions (which have not been acquired by another Partner or third party) made by such Defaulting Partner (net of distributions pursuant to Section 3.1(d)), and the aggregate Commitments of the Partnership and the Aggregate Commitments shall be commensurately reduced.

(ix) Notwithstanding anything contained herein to the contrary (but for the avoidance of doubt, subject to the principles of Section 3.4), from and after the date on which a Limited Partner has become a Defaulting Partner (or such later date as is determined by the General Partner), the General Partner in its sole discretion may make effective one or more of the following provisions: (A) such Defaulting Partner will have no right to receive any distributions, except for distributions made upon the Partnership's liquidation, (B) upon the Partnership's liquidation the aggregate distributions that such Defaulting Partner shall be entitled to receive from the Partnership shall not exceed an amount equal to the excess, if any, of (1) the balance of such Defaulting Partner's Capital Account on the date on which the Defaulting Partner became a Defaulting Partner (adjusted to the extent determined by the General Partner in its sole discretion, as necessary, to exclude any unrealized appreciation with respect to any Investment and to include all unrealized depreciation with respect to each Investment, as determined by the General Partner in its sole discretion) (which balance has not been acquired by another Partner or

third party) over (2) such Defaulting Partner's share of Partnership Expenses (including the Management Fee, determined, for this purpose, without regard to any reduction of the Management Fee pursuant to Section 5.2(d), 5.2(e), 5.2(f) or 5.2(g)) and other items of Partnership loss and expense for all periods after the date on which the Defaulting Partner became a Defaulting Partner, determined as if there had been no reduction in such Defaulting Partner's Commitment pursuant to Section 7.9(a)(viii), and such Defaulting Partner's Capital Account shall continue to be debited for (and, to the extent the Defaulting Partner does not return distributions pursuant to Section 4.6, the foregoing amount shall be reduced by) any Liability under Section 4.6, (C) until the amount described in clause (B) is reduced to zero, the Management Fee payable by the Partnership shall be calculated and allocated among the Partners as if there had been no reduction in such Defaulting Partner's Commitment hereunder, and (D) once the amount described in clause (B) is reduced to zero, (1) such Defaulting Partner's Commitment shall be reduced to zero for all purposes of this Agreement, including the calculation of the Partnership's aggregate Commitments and determination of the Management Fee and (2) such Defaulting Partner shall be liable each period to the Management Company for an amount equal to its portion of the Management Fee, determined as described in Section 7.7(h), as if there had been no reduction in such Defaulting Partner's Commitment hereunder.

(b) No consent of any Limited Partner shall be required as a condition precedent to any Transfer of a Defaulting Partner's interest, or the admission of a transferee as a substitute Limited Partner with respect to such interest, pursuant to this Section 7.9. Notwithstanding the foregoing, no Defaulting Partner's interest shall be transferred, and no Person shall become a substitute Limited Partner, in contravention of Section 7.3.

(c) The General Partner shall handle the procedures of making the offers set forth in this Section 7.9 and shall in its discretion set time limits for acceptance. In connection with any purchase of a Partnership interest pursuant to this Section 7.9, upon the General Partner's request, the Defaulting Partner shall make customary representations and warranties to each purchaser and will execute a customary transfer agreement.

(d) Notwithstanding anything in Article VIII to the contrary, the General Partner shall have the right to remove an Advisory Board member at any time after the Limited Partner that such member represents becomes a Defaulting Partner.

(e) The failure of any Limited Partner to fulfill an obligation hereunder shall not relieve any other Limited Partner of any of its obligations under this Agreement.

(f) Notwithstanding the notice requirements of Section 3.1(a)(i), additional Capital Contributions may be called by the General Partner on [REDACTED] Business Days' notice following a Limited Partner failing to fund any amount due pursuant to a Capital Call Notice or a Parallel Fund Limited Partner failing to fund any amount due pursuant to a capital call notice made by the Parallel Fund General Partner. In addition, the General Partner is authorized to apply amounts that would otherwise be distributed to a Partner to satisfy such Partner's obligation to make a Capital Contribution pursuant to Section 3.1(a) or any other payment required under this Agreement. Such amounts applied shall be deemed distributed to such

Partner by the Partnership and then contributed by such Partner to the Partnership as Capital Contributions or paid by such Partner to the Partnership, as applicable.

(g) Notwithstanding anything in this Agreement to the contrary and unless otherwise determined by the General Partner in its sole discretion, during any period of time that a Limited Partner is a Defaulting Partner, such Defaulting Partner shall not be entitled to attend any meeting of Limited Partners or to receive any of the reports, or information contained therein, provided for in Section 11.3 or any other information regarding the Partnership or any Portfolio Company, other than (i) a statement of such Defaulting Partner's closing capital account balance as and when provided by the General Partner to the other Limited Partners in accordance with Section 11.3(b), (ii) the Defaulting Partner's Schedule K-1s, as and when provided by the General Partner to the other Limited Partners in accordance with Section 11.3(c), and (iii) any additional reports and information that are required by applicable law.

(h) Each Partner hereby acknowledges that certain provisions of this Agreement (including this Section 7.9) provide for specific consequences in the event of a breach of this Agreement by a Partner. Each Partner hereby agrees that the default provisions of this Agreement are fair and reasonable and, in light of the difficulty of determining actual damages, represent a prior agreement among the Partners as to specified consequences under the Partnership Act. Without limiting the general effect of the preceding sentence, the Partners hereby specifically acknowledge and agree that the enforceability of this Section 7.9 is essential to the stability of the Partnership as an organization and to the ability of the Partnership to effectively serve its purpose and conduct its business operations.

(i) Each Limited Partner hereby specifically agrees that, to the maximum extent not prohibited by applicable law, in the event such Limited Partner becomes a Defaulting Partner, regardless of the reason therefor, such Limited Partner shall not be entitled to claim that the Partnership or any of the other Partners are precluded, on the basis of any fiduciary or other duty arising in respect of such Limited Partner's status as such or other equitable claim or theory, from seeking any of the remedies or taking any of the actions permitted under this Agreement or applicable law.

(j) The General Partner and any Limited Partner may agree in writing to modify such Limited Partner's obligations under, or the applicability to such Limited Partner of, any provision of this Section 7.9 (which agreement shall not be a side letter or similar agreement for purposes of Section 13.8).

7.11 Purchase of Limited Partner Interests. If a Limited Partner requests the General Partner to assist it in finding a purchaser for all or any portion of its interest in the Partnership, the General Partner and/or its designees, in the General Partner's sole discretion and without in any way limiting the provisions of Section 7.3, may elect to, , (a) purchase all or a portion of such interest and/or (b) offer and sell all or a portion of such interest on behalf of the selling Limited Partner to one or more of the Limited Partners or the Parallel Fund Limited Partners (but not necessarily all Limited Partners or Parallel Fund Limited Partners) and/or to one or more third parties that are not Limited Partners. Subject to Section 2.2, to the extent that the General

Partner acquires the interest of a Defaulting Partner or any other Limited Partner or otherwise acquires a Limited Partner interest, the General Partner shall be deemed to be a Limited Partner with respect to such interest for all purposes of this Agreement; provided that the General Partner may elect in its sole discretion at any time to convert all or any portion of such interest into a general partner interest in the Partnership. Subject to Section 2.2, the General Partner also may elect in its sole discretion to convert any general partner interest held by it to a Limited Partner interest with substantially identical rights to those of the other Limited Partners. No consent of any Limited Partner shall be required as a condition precedent to any such Transfer or any conversion of an interest contemplated by this Section 7.11.

7.12 Partnership Media or Common Carrier Company.

(a) For so long as the Partnership has an investment in any Media or Common Carrier Company (such Person in which the Partnership has such an investment referred to herein as a “Partnership Media or Common Carrier Company”), then the following provisions shall apply (but only to the minimum extent necessary to insulate the Limited Partners from any deemed “attributable interest” in a Partnership Media or Common Carrier Company under the attribution rules and policies of the Communications Laws):

(i) (A) No Limited Partner (other than an Excluded Limited Partner), (B) no Person that is a director, officer, member, partner or 5% or greater shareholder of a Limited Partner other than an Excluded Limited Partner and (C) no entity controlling or under common control with a Limited Partner other than an Excluded Limited Partner (each of the Persons described in clauses (B) and (C), other than an Excluded Limited Partner, a “Limited Partner Affiliate”), may be an employee of the Partnership if the employment function of such Limited Partner or Limited Partner Affiliate directly or indirectly relates to any Partnership Media or Common Carrier Company.

(ii) No Limited Partner (other than an Excluded Limited Partner) or Limited Partner Affiliate may serve, in any material capacity, as an independent contractor or agent of the Partnership with respect to any Partnership Media or Common Carrier Company.

(iii) No Limited Partner (other than an Excluded Limited Partner) or Limited Partner Affiliate may communicate with the General Partner or with any officer, director, partner, agent, representative or employee of any Partnership Media or Common Carrier Company on matters pertaining to the day-to-day operations of the Partnership Media or Common Carrier Company.

(iv) No Limited Partner (other than an Excluded Limited Partner) or Limited Partner Affiliate may perform any services for the Partnership where such services materially relate to a Partnership Media or Common Carrier Company, except that a Limited Partner or Limited Partner Affiliate may make loans to or act as a surety for a Partnership Media or Common Carrier Company to the extent not prohibited by the “equity/debt plus” provisions of the Communications Laws.

(v) No Limited Partner (other than an Excluded Limited Partner) or Limited Partner Affiliate may become actively involved in the management or operation of any Partnership Media or Common Carrier Company.

(vi) No Limited Partner (other than an Excluded Limited Partner) may serve as a member or otherwise participate in the activities of the Advisory Board if such membership or participation would cause any Limited Partner to lose its insulated status under the Communications Laws.

(vii) No Limited Partner (other than an Excluded Limited Partner) or Limited Partner Affiliate may vote (A) for [REDACTED] the General Partner except pursuant to the provisions of Section 9.6(a) and (B) in connection with any such [REDACTED]  
[REDACTED]  
the General Partner, in its sole discretion.

(viii) No Limited Partner shall take any action that such Limited Partner knows would cause a violation by the Partnership of the Communications Laws.

(ix) Each Limited Partner that becomes, or will or may become, a Non-U.S. Partner as a result of a change in control or reorganization of such Limited Partner shall provide notice of such event at least 30 days prior to the effective time of such change of control or reorganization.

(b) Any of the provisions of Section 7.12(a) may be waived as they otherwise would apply to any Limited Partner (or its Limited Partner Affiliate) upon the written consent of such Limited Partner and the General Partner, and the Limited Partner who makes any such waiver shall be treated as an Excluded Limited Partner with respect to the Partnership Media or Common Carrier Company covered by such waiver.

(c) If a Limited Partner provides the General Partner with an Opinion of Limited Partner's Counsel to the effect that as a result of any existing or potential relationship between such Limited Partner, or any of its Limited Partner Affiliates, and a Media or Common Carrier Company, it would be more likely than not that such Limited Partner would not be able to comply with the requirements of the provisions of Section 7.12(a), or if the General Partner and the Limited Partner otherwise agree in writing (which agreement shall not be a side letter or similar agreement for purposes of Section 13.8), then such Limited Partner, at its own expense, and with the General Partner's prior written consent, may Transfer its entire interest in the Partnership to an irrevocable trust (the "Trust") (i) the terms and structure of which shall, in accordance with any then applicable rules and policies of the FCC, insulate such Limited Partner from having an attributable interest in any Media or Common Carrier Company, (ii) which is established by such Limited Partner at its own expense for the sole purpose of holding in trust its interest in the Partnership and subsequently transferring such interest to a purchaser pursuant to Section 7.3, (iii) of which such Limited Partner is and shall remain the sole beneficiary and (iv) with a trustee that satisfies the provisions of Section 7.12(a); provided, however, that (x) the General Partner shall not be required to effect or permit a Transfer of such Limited Partner's interest pursuant to this Section 7.12(c) unless the transferor has demonstrated to the reasonable satisfaction of the General Partner that the provisions set forth in Section 7.3 have been satisfied,

and (y) the terms of the governing documents of the Trust shall provide that such Limited Partner, as the beneficiary, shall remain liable to make payments to the Trust to enable the Trust to satisfy any of its obligations to make payments to the Partnership. The General Partner shall consent to such Transfer to the Trust upon the satisfaction of the conditions set forth in clauses (x) and (y) of the preceding sentence; provided that the Trust may be admitted as a substitute Limited Partner in the Partnership only with the consent of the General Partner, which consent may be given or withheld in its sole discretion. Notwithstanding anything contained in this Agreement to the contrary, upon any Transfer by a Limited Partner of its Partnership interest to a Trust pursuant to this Section 7.12(c), such Limited Partner shall no longer be a Limited Partner of the Partnership, but it shall remain liable to make payments to the Partnership to satisfy any unfulfilled obligations of the Trust to make payments to the Partnership.

#### 7.13 Confidential Information.

(a) Notwithstanding anything contained in this Agreement to the contrary, to the maximum extent not prohibited by applicable law, the General Partner has the right (in its sole and absolute discretion) not to disclose any Confidential Information or other information or materials to any Limited Partner or to the Limited Partner's Disclosure Recipients if the General Partner determines that such disclosure (i) [REDACTED]

(ii)

Furthermore, each Limited Partner understands, acknowledges and agrees that [REDACTED]

[REDACTED] Each Limited Partner shall keep confidential and shall not disclose, or permit any of its Disclosure Recipients to disclose, any information or materials regarding the Partnership Entities, the other Partners, the Parallel Fund Partners or the [REDACTED] Partners [REDACTED]

[REDACTED] except (and then only) to the extent that (x) the disclosure of such information or materials is expressly required by applicable law, (y) the information or materials become publicly known other than through the actions or inactions of such Limited Partner or its Disclosure Recipients; provided that the source of such information is not bound by a confidentiality agreement or other contractual, legal or fiduciary obligation or duty of confidentiality or (z) the disclosure of such information and materials by such Limited Partner is to its Disclosure Recipients (provided that, in each case, such Persons agree in writing to keep such information and materials confidential to the same extent as if they were Limited Partners of the Partnership or are otherwise required under applicable law to keep such information confidential and such Limited Partner shall be responsible for the failure of any such Person to so comply). Without limiting the foregoing, in the event that [REDACTED]

(b) Without limiting the foregoing, each Limited Partner agrees that the following items are included within Confidential Information of, and are of independent, proprietary, economic value to, the General Partner, the Partnership and, with respect to information obtained from the Parallel Fund, [REDACTED] or a Portfolio Company, such Parallel Fund, [REDACTED] or Portfolio Company, the disclosure of which would cause substantial, irreparable harm to the General Partner, the Partnership, the Parallel Fund, [REDACTED] and/or the applicable Portfolio Companies: (i) all information regarding the historical, current or projected pricing, cost, sales and profitability of each product or service offered by any Portfolio Company; (ii) all information pertaining to the valuation ascribed to a Portfolio Company, any subsidiary thereof or to any interests in any of the foregoing by such Portfolio Company's management, the Partnership, the General Partner, or any other Person; (iii) all financial statements or other information concerning the historical, current or projected financial condition, results of operations or cash flows of any Portfolio Company; (iv) all information prepared by or for any board of directors or other governing body of any Portfolio Company or any investment committee of the General Partner, the Management Company or any of their respective Affiliates; and (v) all information prepared by any third parties on behalf of, or for, any Partnership Entity with respect to which the General Partner believes it is in the best interest of the Partnership, the Parallel Fund, [REDACTED] or any Portfolio Company to remain confidential.

(c) The General Partner may agree (i) to limit the applicability of any confidentiality related obligation(s), including those contained in this Section 7.13, to a particular Limited Partner and/or (ii) to limit disclosure of the name of, or any other information regarding,

a particular Limited Partner and, in each such case, any such agreement shall not be a side letter or similar agreement for purposes of Section 13.8.

7.14 Excuse/Exclusion.

(a) No Limited Partner shall be required to make any Investment Contribution or Bridge Financing Contribution for the purpose of making any portion of an Investment that, with respect to such Limited Partner, constitutes a General Excused Investment.

(b) A Limited Partner shall not be permitted to make all or any portion of any Investment Contribution or Bridge Financing Contribution otherwise required to be made to the Partnership in respect of a particular Investment if (i) the General Partner notifies such Limited Partner in writing that the General Partner has, in its reasonable discretion, determined not to permit the making of all or any portion of such Investment Contribution or Bridge Financing Contribution because it has determined that such Investment Contribution or Bridge Financing Contribution could be reasonably expected to have an Adverse Effect or (ii) such Limited Partner has been excluded from such Investment pursuant to Section 7.6.

(c) The General Partner may discontinue any Limited Partner's participation in an Investment (through such Limited Partner's Sharing Percentage for such Investment) if the General Partner (i) determines that it is reasonably likely that the continuation of such Limited Partner's participation therein has caused or could be reasonably expected to have an Adverse Effect and (ii) gives two (2) Business Days' advance written notice to any such Limited Partner of such determination. The General Partner may thereafter take commercially reasonable steps to discontinue such Limited Partner's participation in such Investment, including by causing a portion of such Investment equal to such Limited Partner's Sharing Percentage thereof promptly to be sold by the Partnership at a cash price equal to its fair market value, as determined, consistent with the provisions of Article X, by an independent appraiser chosen by the General Partner and approved by such Limited Partner (which approval shall not be unreasonably withheld), with all of the proceeds of such sale being applied (as among the Partnership, such Limited Partner, and the General Partner) in accordance with the other provisions of this Agreement, it being understood that such Limited Partner's Sharing Percentage for such Investment shall, after the application of such sale proceeds, be reduced to zero and the other Partners' Sharing Percentages therein shall be adjusted accordingly. All reasonable costs and expenses in respect of the determinations and other matters referred to in this Section 7.14(c) shall be borne by the Partnership.

(d) The excuse or exclusion of any Limited Partner from a prospective Investment pursuant to this Section 7.14, and/or the discontinuation of a Limited Partner from participation in an Investment, shall not affect (i) such Person's Commitment, (ii) the aggregate Management Fee computed pursuant to Section 5.2 or (iii) any Limited Partner's obligation to make a Special Contribution in respect of an Investment.

(e) At the General Partner's election, the Partners shall participate in follow-on investments in any existing Portfolio Company pro rata based on their respective Sharing Percentages with respect to the existing Investment (or weighted average Sharing

Percentages if there has been more than one prior unrealized Investment) in such Portfolio Company.

(f) Notwithstanding the notice requirements of Section 3.1(a)(i), additional Capital Contributions may be called by the General Partner following a Limited Partner or Parallel Fund Limited Partner being excused or excluded from any Capital Contribution or capital contribution under the Parallel Fund Agreement on ten (10) Business Days' notice.

(g) If any Limited Partner is excused or excluded from making any Investment Contribution pursuant to Section 7.14(a) or 7.14(b) or if any Parallel Fund Limited Partner is excused or excluded from making any Investment Contribution (as defined in the Parallel Fund Agreement) pursuant to Section 7.14(a) or 7.14(b) (or similar provision) of the Parallel Fund Agreement, then the Partnership and the Parallel Fund shall (subject to Section 6.15(b)) invest in such Portfolio Company and bear expenses relating to such Portfolio Company pro rata based upon the Parallel Fund's aggregate capital commitments available for investment (excluding the aggregate capital commitments not available for such investment from any Parallel Fund Limited Partner(s) due to excuse or exclusion from such investment pursuant to Section 7.14(a) or 7.14(b) (or similar provision) of the Parallel Fund Agreement) and the Partnership's aggregate Commitments available for investment (excluding the aggregate Commitments not available for such investment from any Limited Partner(s) due to excuse or exclusion from making such investment pursuant to Section 7.14(a) or 7.14(b)).

### ADVISORY BOARD

#### 8.1 Advisory Board.

(a) A board (an "Advisory Board") shall be appointed by the General Partner, all the members of which shall be selected by the General Partner from among the Limited Partners and Parallel Fund Limited Partners (or their respective representatives). The General Partner may appoint new members to fill any vacancies on the Advisory Board arising from time to time so long as such appointments are in compliance with this Section 8.1. 

(b) The Advisory Board shall perform the duties expressly contemplated in this Agreement, may periodically review the valuations of the Partnership's assets made by the General Partner and shall provide such other advice and counsel as is requested by the General Partner in connection with the Partnership's investments, potential conflicts of interest and other Partnership matters; provided that the General Partner shall retain ultimate responsibility for asset valuations (subject to the provisions of Article X) and for making all decisions relating to the operation and management of the Partnership or relating to the conduct of its business, including making all investment decisions. Except as otherwise set forth in Section 8.1(f), all Advisory Board consents, approvals, disapprovals, votes, determinations and other actions shall be authorized by a majority of the non-abstaining Advisory Board members pursuant to a meeting or written consent of a majority of the non-abstaining Advisory Board members.

(c) Meetings of the Advisory Board members may be conducted in person, telephonically or through the use of other communications equipment by means of which all Persons participating in the meeting can communicate with each other. The General Partner shall be entitled to have representatives attend and participate in all Advisory Board meetings as a non-voting chairman and may permit non-voting observers to attend such meetings. The Partnership shall reimburse each Advisory Board member, representative of the General Partner, and permitted observer for his or her reasonable out-of-pocket expenses incurred in connection with the proceedings of the Advisory Board, other than any such proceedings that take place in connection with a general meeting of the Limited Partners. Except as contemplated in this Section 8.1 and as otherwise set forth elsewhere in this Agreement, all decisions regarding the operations and investments of the Partnership shall be made by the General Partner.

(d) The General Partner may, in its sole discretion, seek Advisory Board approval in connection with (i) approvals required under the Investment Advisers Act including any approvals required under Section 206(3) thereof or (ii) any consent to a transaction that would result in any "assignment" (within the meaning of the Investment Advisers Act) with respect to the General Partner, the Parallel Fund General Partner, [REDACTED], the Ultimate General Partner, the Management Company or any other investment advisory affiliate of the General Partner, and such Advisory Board approval shall constitute consent of the Limited Partners and the Partnership for purposes of the Investment Advisers Act. Each Limited Partner agrees that, with respect to any Advisory Board approval sought by the General Partner relating to this Agreement or the arrangements contemplated hereby, such approval shall be binding upon the Partnership and each Partner. Each Limited Partner further agrees that any such approval alternatively may be granted by Limited Partners and Parallel Fund

Limited Partners holding a majority of the Aggregate Commitments held by such Persons; provided, however, that the General Partner shall not seek approval from the Limited Partners and/or Parallel Fund Limited Partners after the Advisory Board has affirmatively rejected a particular action unless the General Partner notifies the Limited Partners and/or Parallel Fund Limited Partners of the Advisory Board's affirmative rejection of such action. Notwithstanding anything to the contrary in this Agreement, if (A) the Advisory Board waives any conflict of interest or duty of the General Partner or (B) the General Partner acts in a manner, or pursuant to the standards and procedures, approved by the Advisory Board with respect to a conflict of interest, then, in each case, the General Partner and its Affiliates shall not be in breach of this Agreement and, to the maximum extent not prohibited by applicable law, shall not be in breach of any such duty or have any liability to the Partnership or the Limited Partners for such actions taken in good faith by them.

(e) For the avoidance of doubt, notwithstanding anything to the contrary in this Agreement, the General Partner shall have, in its sole and absolute discretion, the right to remove, or place restrictions on participation by, any member of the Advisory Board if such member's position on the Advisory Board could make the Partnership a "foreign person" within the meaning of U.S. laws and regulations establishing the Committee on Foreign Investment in the United States ("CFIUS"), 31 C.F.R. Part 800, as may be amended from time to time, or if such member's position on the Advisory Board would make an investment or transaction subject to review by CFIUS or any similar national security investment clearance regulator.

(f) The Advisory Board shall be permitted, with the consent of two-thirds of the non-abstaining Advisory Board members, to engage legal counsel to advise the Advisory Board with respect to any matter presented to it by the General Partner for consent, approval, vote or determination. For the avoidance of doubt, any such engagement of legal counsel shall be an activity of the Advisory Board and shall not be construed to constitute participation in the management or control of the business of the Partnership. The Partnership's Pro Rata Share of reasonable fees and expenses of the legal counsel engaged pursuant to this Section 8.1(f) shall be a Partnership Expense; provided that, [REDACTED]

### VALUATION OF PARTNERSHIP ASSETS

10.1 Normal Valuation. For purposes of this Agreement, the value of any investment as of any date (or in the event such date is a holiday or other day that is not a Business Day, as of the immediately preceding Business Day) shall be determined as follows:

(a) an investment that is (i) listed or quoted on a recognized securities exchange or quoted on any national automated inter-dealer quotation system or (ii) traded over-the-counter, shall be valued at the average of its last “trade” price on each trading day during the ten (10)-day trading period ending immediately prior to the time of determination, or if no sales occurred on any such day, the mean between the closing “bid” and “asked” prices on such day; and

(b) all other investments shall be valued as of such date by the General Partner at fair market value in such manner as it may reasonably determine.

Notwithstanding the foregoing, for all purposes of the reports furnished to the Limited Partners pursuant to Section 11.3, all investments described in Section 10.1(a) above and valued as of the end of any fiscal quarter or year shall be valued as of the last trading day of such period.

10.2 Restrictions on Transfer or Blockage. Any investment that is held under a representation that it has been acquired for investment and not with a view to public sale or distribution, or which is held subject to any other restriction on transfer, or where the size of the Partnership’s holdings compared to the trading volume would adversely affect its marketability, shall be valued at such discount from the value determined under Section 10.1 as the General Partner deems reasonably necessary to reflect the marketability and value of such investment.

10.3 Objection to Valuation. If a majority of the Advisory Board members object to the valuation of any investment at the time of such investment’s distribution in kind or at the time of any withdrawal of a Limited Partner pursuant to the terms of this Agreement, the Advisory Board and the General Partner shall attempt to mutually agree on the valuation of such investment within 15 days after such objection. If the Advisory Board and the General Partner are unable to reach an agreement within such 15-day period, the General Partner shall (at the Partnership’s expense) cause a nationally recognized valuation or investment banking firm mutually acceptable to the General Partner and a majority of the Advisory Board members to review such valuation consistent with the terms of Sections 10.1 and 10.2, and such expert’s determination shall be binding on all parties.

10.4 Write-down to Value. Any investments that have permanently declined in value as determined by the General Partner shall be written-down to their value pursuant to the provisions of this Article X as of the date of such determination.

10.5 Adjustments Required by GAAP Accounting. With respect to reports furnished to Limited Partners pursuant to Section 11.3 that are prepared, in whole or in part, in accordance with GAAP, the valuation rules set forth in this Article X shall be adjusted to the extent necessary to comply with GAAP, including the Financial Accounting Standards Board Accounting Standards Codification Topic 820: Fair Value Measurements and Disclosures, effective as of September 15, 2009 (as such codification topic may be amended or modified thereafter), as promulgated by the Financial Accounting Standards Board.

The financial reports and schedules described in this Section 11.3 are dependent upon information to be provided to the General Partner by Portfolio Companies and third parties that are not Affiliates of the General Partner. Therefore, notwithstanding the foregoing time periods, the General Partner may furnish such reports and schedules to the Limited Partners after the expiration of such time periods, but as soon as reasonably practicable, following receipt of all

financial and other information from each of the Portfolio Companies and any such third party necessary, advisable or desirable to prepare such documents. In addition to the documents described in this Section 11.3, at the Partnership's or requesting Limited Partner's expense, in each case as determined by the General Partner in its sole discretion, the General Partner shall furnish to a Limited Partner (or such Limited Partner's authorized representative who is a Disclosure Recipient) as promptly as practicable such additional information concerning the Partnership, distributions by the Partnership, and valuations of Partnership assets and Investments as such Limited Partner (or such authorized representative) may reasonably request from time to time, subject in each case to any such information that may otherwise be kept confidential with respect to any Partner as provided in this Agreement; provided that, notwithstanding anything to the contrary herein, in the event that the General Partner furnishes Schedule I or any other list of Limited Partners to any Limited Partner or Disclosure Recipient thereof, the General Partner shall be entitled to redact or encode the name of, and/or other identifying information concerning, any Limited Partner listed therein. The General Partner may also agree in its sole discretion to furnish, at the Partnership's or such Person's expense, in each case as determined by the General Partner in its sole discretion, additional reports and other information to one or more Limited Partners at such Person's request in order to allow such Person to comply with its reporting, monitoring, regulatory, tax and other similar obligations (which agreement shall not be a side letter or similar agreement for purposes of Section 13.8). The General Partner shall provide, upon an ERISA Partner's reasonable request and at such ERISA Partner's or the Partnership's expense (as determined by the General Partner in its sole discretion), such information within the General Partner's possession that is necessary for purposes of completing such ERISA Partner's U.S. Department of Labor Form 5500 annual return/report. The General Partner shall notify the Limited Partners of any change in the auditor for the Partnership reasonably promptly after such change. Notwithstanding any provision in this Section 11.3 to the contrary, and subject to Section 7.13, the information and materials described in this paragraph and the reports (other than quarterly and annual balance sheets and income statements for the Partnership, statements of the applicable Partner's Capital Account and the applicable Partner's Schedule K-1), valuations of the Investments described in this Section 11.3 and any Portfolio Company financial, business or valuation information contained in information required to be provided pursuant to this Agreement shall be required to be furnished only to Limited Partners who have provided such representations, warranties and assurances, as the General Partner may request in its sole discretion, that such documents (and any contents thereof) are not required by any law to be disclosed to any other Person and that such Limited Partner (and its Disclosure Recipients) will not use such documents (or any contents thereof) for a purpose other than monitoring and evaluating such Limited Partner's investment in the Partnership or disclose such documents (or any contents thereof) to any other Person who may be required by applicable law to disclose such documents (or any contents thereof), in each case other than disclosure permitted by Section 7.13(a)(ii) or 7.13(a)(iii) or to a Person to whom such disclosure is permitted by Section 7.13(a)(iv) and such Person will not be required by applicable law to disclose such documents (or any contents thereof).

The General Partner may, in its sole discretion, choose to furnish certain or all of such financial reports, statements, schedules and other information described in this Section 11.3 to the Limited Partners electronically via email, the Internet, web-accessed secure portal and/or another electronic reporting medium in lieu of providing the Limited Partners with paper copies of such documents; provided that the General Partner may agree in writing (which agreement shall not

be a side letter or similar agreement for purposes of Section 13.8) in its sole discretion and at the request of any Limited Partner to limit the applicability of any portion of this sentence to such Limited Partner.

11.4 Annual Meeting. The General Partner shall hold a general informational meeting for the Limited Partners, which may be telephonic or held through video conference, each year following the Partnership's first full calendar year of operation [REDACTED]

[REDACTED] In conjunction with each such annual meeting, the General Partner will schedule a separate session for the Advisory Board to meet, which may be telephonic or held through video conference.

#### 11.5 Tax Allocations.

(a) All income, gains, losses and deductions of the Partnership shall be allocated, for U.S. federal, state and local income tax purposes, among the Partners in accordance with the allocation of such income, gains, losses and deductions among the Partners for computing their Capital Accounts, except that if any such allocation for tax purposes is not permitted by the Code or other applicable law, the Partnership's subsequent income, gains, losses and deductions shall be allocated among the Partners for tax purposes so as to reflect as nearly as possible the allocation set forth herein in computing their Capital Accounts. For the avoidance of doubt, (i) the items of income and gain allocated to the General Partner in respect of the Special Profit Interest shall consist only of items of income and gain included in Qualified Gains and (ii) items of expense or deduction in respect of Management Fees, Placement Fees and Organizational Expenses shall be allocated among the Partners in accordance with the relative amounts contributed by such Partners with respect thereto as provided in Section 3.1(a).

(b) Notwithstanding any other provision of this Agreement, if a Partner unexpectedly receives an adjustment, allocation or distribution described in U.S. Department of Treasury Reg. §1.704-1(b)(2)(ii)(d)(4), (5) or (6) that gives rise to a negative capital account (or that would give rise to a negative capital account when added to expected adjustments, allocations or distributions of the same type) that exceeds the amount such Partner is required to restore, such Partner shall be allocated items of income and gain in an amount and manner sufficient to eliminate such deficit balance as quickly as possible; provided that the Partnership's subsequent income, gains, losses and deductions shall be allocated among the Partners so as to achieve as nearly as possible the results that would have been achieved if this Section 11.5(b) had not been in this Agreement, except that no such allocation shall be made that would violate the provisions or purposes of U.S. Department of Treasury Reg. §1.704-1(b).

11.6 Tax Representative. The General Partner is hereby designated as the "partnership representative" of the Partnership for purposes of the Partnership Tax Audit Rules and any similar provision of state, local, or any other applicable law (the "Tax Representative"). In addition, (a) the General Partner is hereby authorized to (i) designate any other Person selected by the General Partner as the Tax Representative, and (ii) take, or cause the Partnership to take, such other actions as may be necessary or advisable pursuant to U.S. Department of Treasury Regulations or other guidance to ratify the designation, pursuant to this Section 11.6, of the General Partner (or any Person selected by the General Partner) as the Tax Representative

and (b) each Limited Partner hereby consents to the initial designation of the General Partner as the “Tax Representative” and agrees to take such other actions as may be requested by the General Partner to ratify or confirm its consent to such initial designation and any future change in any such designation of the Tax Representative pursuant to this Section 11.6. Promptly following the written request of the Tax Representative, the Partnership shall, to the fullest extent not prohibited by law, reimburse and indemnify the Tax Representative for all reasonable expenses, including reasonable legal and accounting fees, claims, liabilities, losses and damages incurred by the Tax Representative, as applicable, in connection with any administrative or judicial proceeding with respect to the tax liability of the Partners. The provisions of this Section 11.6 shall survive the termination of the Partnership and shall remain binding on the Partners for as long a period of time as is necessary to resolve with the Internal Revenue Service any and all matters regarding the U.S. federal income taxation of the Partnership or the Partners.

#### 11.7 Code §83 Safe Harbor Election.

(a) By executing this Agreement, each Partner authorizes and directs the Partnership to elect to have the “Safe Harbor” described in the proposed Revenue Procedure set forth in Internal Revenue Service Notice 2005-43 (the “IRS Notice”) apply to any interest in the Partnership transferred to a service provider by the Partnership on or after the effective date of such Revenue Procedure in connection with services provided to the Partnership. For purposes of making such Safe Harbor election, the General Partner is hereby designated as the “partner who has responsibility for federal income tax reporting” by the Partnership and, accordingly, execution of such Safe Harbor election by the General Partner constitutes execution of a “Safe Harbor Election” in accordance with Section 3.03(1) of the IRS Notice. The Partnership and each Partner hereby agree to comply with all requirements of the Safe Harbor described in the IRS Notice, including the requirement that each Partner shall prepare and file any U.S. federal income tax returns that such Partner is required to file reporting the income tax effects of each “Safe Harbor Partnership Interest” issued by the Partnership in a manner consistent with the requirements of the IRS Notice. A Partner’s obligations to comply with the requirements of this Section 11.7 shall survive such Partner’s ceasing to be a Partner of the Partnership and/or the dissolution, liquidation, winding-up and termination of the Partnership, and, for purposes of this Section 11.7, to the maximum extent not prohibited by applicable law, the Partnership shall be treated as continuing in existence.

(b) Each Partner authorizes the General Partner to amend this Section 11.7 to the extent necessary to achieve substantially the same tax treatment with respect to any interest in the Partnership transferred to a service provider by the Partnership in connection with services provided to the Partnership as set forth in Section 4 of the IRS Notice (e.g., to reflect changes from the rules set forth in the IRS Notice in subsequent Internal Revenue Service guidance); provided that such amendment is not materially adverse to such Partner (as compared with the after-tax consequences that would result if the provisions of the IRS Notice applied to all interests in the Partnership transferred to a service provider by the Partnership in connection with services provided to the Partnership).

## ARTICLE XII

The General Partner has previously caused the Certificate to be filed and recorded in the office of the Secretary of State of the State of Delaware and to the extent required by applicable law, the General Partner shall cause the Certificate to be filed in the appropriate place in each state in which the Partnership may hereafter establish a place of business, but the Partnership shall not be obligated to provide the Limited Partners with a copy of any amendment to or restatement of the Certificate. The General Partner shall also use commercially reasonable efforts to file or cause to be filed, recorded and published, such statements, notices, certificates or other instruments required by any provision of any applicable law that governs the formation of the Partnership or the conduct of its activities and operations from time to time.

#### 12.2 Powers of Attorney.

(a) Each Limited Partner to the maximum extent not prohibited by applicable law does hereby constitute, appoint and grant to the General Partner, and each Person who is or hereafter becomes a general partner of the General Partner, full power to act without the others, as its true and lawful representative, agent and attorney-in-fact, in its name, place and stead, to make, execute or sign, acknowledge, swear to, verify, deliver, record, file and/or publish (in each case (other than the General Partner), only for so long as such Person continues to be a general partner of the General Partner): (i) the Certificate, (ii) any amendment to, modification to, restatement of, or cancellation of the Certificate, (iii) any duly enacted amendment, restatement, waiver or other modification of this Agreement, and all instruments and documents that may be necessary, advisable or desirable to effectuate or reflect an amendment, restatement, waiver or other modification so approved, (iv) all instruments, deeds, agreements, documents and certificates that may from time to time be necessary or advisable to effectuate, implement and continue the valid and subsisting existence of the Partnership or any Alternative Investment Vehicle, (v) all instruments, deeds, agreements, documents and certificates that may be necessary or advisable to effectuate the dissolution, liquidation, winding-up and termination of the Partnership or any Alternative Investment Vehicle or admit any additional partners or members thereto, except where such action requires the express approval of the Limited Partners hereunder, (vi) all instruments, deeds, agreements, documents and certificates that may be necessary or advisable in the sole discretion of the General Partner to effectuate the provisions of Section 3.4, Section 7.14 and/or Section 9.4, (vii) in the case of a Regulated Partner (including a Partner treated as a Regulated Partner hereunder) or Defaulting Partner, any bills of sale or other appropriate transfer documents necessary or advisable to effectuate Transfers of such Person's interest pursuant to Section 7.7 or Section 7.9, respectively, or of a similar interest pursuant to the comparable provisions of the governing documents for any Alternative Investment Vehicle, (viii) all instruments, deeds, agreements, documents and certificates that may be necessary or advisable in the sole discretion of the General Partner in connection with the establishment of the escrow fund pursuant to Section 3.1(b) and (ix) such other documents, deeds, agreements or instruments as may be required under the laws of any state, the United States or any other jurisdiction. Each Limited Partner hereby empowers each agent and attorney-in-fact acting pursuant hereto to determine in its sole discretion the time when, purpose for and manner in

which any power herein conferred upon it shall be exercised, and the conditions, provisions and covenants of any instruments or documents that may be executed by it pursuant hereto. The agency and powers of attorney granted herein shall be deemed to be coupled with an interest, shall be irrevocable and shall survive the death, incompetency, incapacity, disability, insolvency or dissolution of a Limited Partner (regardless of whether the Partnership, the General Partner or the Ultimate General Partner has notice thereof). Without limiting the foregoing, the agency and powers of attorney granted herein shall not be deemed to constitute a written consent of any Limited Partner for purposes of Section 13.1.

(b) Each Limited Partner agrees to execute such other documents as the General Partner may reasonably request in order to effect the intention and purposes of the agency and power of attorney contemplated by this Section 12.2.

### ARTICLE XIII

#### MISCELLANEOUS

13.1 Amendments. This Agreement may be amended, waived or otherwise modified only by the written consent of the General Partner and, except as otherwise provided in Section 13.6(a) with respect to any particular Limited Partner(s), (i) [REDACTED] or (ii) [REDACTED]

(a) no amendment will be valid as to any Limited Partner that alters or modifies Section 7.1 (to the extent that such amendment adversely affects the limited liability of such Limited Partner), Section 12.2, this Section 13.1(a), or that decreases such Limited Partner's Commitment, other than on a pro rata basis according to Commitments with all other Limited Partners, or increases such Limited Partner's Commitment, without the written consent of such Limited Partner;

(b) no amendment that would alter the provisions of this Section 13.1(b), or would alter the provisions of Section 3.1(b) or 6.6 and would materially and adversely affect any ERISA Partner's interest, shall be valid without the consent of ERISA Partners representing a majority of the Commitments held by ERISA Partners;

(c) no amendment that would alter the provisions of this Section 13.1(c) shall be valid as to the ERISA Partners or the Governmental Plan Partners without the consent of Limited Partners representing a majority of the Commitments held by the ERISA Partners or Governmental Plan Partners, respectively, and no amendment that would alter the provisions of Section 7.7 and would materially and adversely affect (i) only Governmental Plan Partners' interests, (ii) only ERISA Partners' interests or (iii) both Governmental Plan Partners' and ERISA Partners' interests, shall be valid without the consent of Limited Partners representing a majority of the Commitments held by, in the case of clause (i) above, Governmental Plan Partners, in the case of clause (ii), ERISA Partners, and in the case of clause (iii), Governmental Plan Partners and ERISA Partners, collectively as a single group; and

(d) no amendment that would alter the definitions of “BHCA”, “BHCA Interest,” “BHCA Limited Partner” or that would alter the provisions of this Section 13.1(d), or would alter the provisions of Section 2.2(a) and would materially and adversely affect any BHCA Limited Partner’s interest in a manner that does not similarly materially and adversely affect the other Limited Partners generally, shall be valid without the consent of BHCA Limited Partners representing a majority of the Commitments held by BHCA Limited Partners.

Notwithstanding anything in this Agreement to the contrary, this Agreement may be amended by the General Partner without the consent of any Limited Partner (i) in order to cure any ambiguity or error, make an inconsequential revision, provide clarity or to correct or supplement any provision herein that may be defective or inconsistent with any other provisions herein, (ii) to effectuate the provisions of Section 3.4 and/or Section 7.14, (iii) to add any obligation, representation or warranty of the General Partner or surrender any right or power granted to the General Partner, (iv) to satisfy any general or specific requirements, comments, conditions, guidelines or opinions contained in any opinion, directive, examination, order, ruling or regulation of the Securities and Exchange Commission, the Internal Revenue Service or any other U.S. federal or state or non-U.S. governmental agency or regulatory body, or in any U.S. federal or state or non-U.S. law, statute, rule or regulation, compliance with which (x) is mandatory; or (y) the General Partner deems to be in the best interest of the Partnership, or (v) following passage by the U.S. Congress of U.S. federal income tax legislation that would have the effect of characterizing as ordinary income to the General Partner returns that under the law in effect as of the Initial Closing Date would be characterized as capital gain or qualified dividend income, in such manner as is determined by the General Partner in good faith to provide for (A) a change in the terms applicable to the allocations or distributions of Partnership profits and losses to the General Partner to preserve the capital nature of such allocations or distributions under the law in effect as of the Initial Closing Date or otherwise to reduce the adverse impact of such change in law on the General Partner and its direct and indirect owners, (B) a change relating to (1) reduction of the Fee Reduction Amount and a corresponding reduction of the General Partner’s Deemed Commitment, (2) the deletion of Section 9.5(d) and/or (3) other change that has the effect of reducing or eliminating the General Partner’s ability to use Deemed Contributions, or of restoring the Partners to the relative positions that would have resulted from all or any portion of the General Partner’s Commitment being funded in cash and not being funded by Deemed Contributions, including any corresponding restoration by the Partners (other than Designated Partners) of Management Fees and (C) any other amendments reasonably related thereto or reasonably required in connection therewith;

clause (B)

██████████ The General Partner may, in its sole discretion, choose to deliver any proposed or effective amendment described in this Section 13.1 via email and/or another electronic reporting medium in lieu of providing the Limited Partners with paper copies of such amendment; provided that the General Partner may agree in writing (which agreement shall not be a side letter or similar agreement for purposes of Section 13.8) in its sole discretion and at the request of any Limited Partner to limit the applicability of any portion of this sentence to such Limited Partner.

Upon obtaining such required approvals or consents, if any, of the Limited Partners or Limited Partners and Parallel Fund Limited Partners, voting as a single group, holding the requisite percentage of Commitments or Aggregate Commitments, as applicable, and without any further action or execution by any other Person, including any Limited Partner or Parallel Fund Limited Partner, the General Partner (x) may implement and reflect any amendment to, restatement of, waiver of or other modification to this Agreement in a writing executed solely by the General Partner, including by restating this Agreement to incorporate any such amendments, restatements, waivers or other modifications into a single, integrated document, and (y) shall be authorized and empowered by each Limited Partner, with full power of substitution, to execute, acknowledge, make, swear to, verify, deliver, record, file and/or publish all instruments and documents that may be necessary, advisable or desirable to effectuate any amendment to, restatement of, waiver of or other modification to this Agreement. The General Partner shall provide the Limited Partners with copies of any amendments to this Agreement reasonably promptly following the adoption of any such amendments. Each Limited Partner and any other party to this Agreement shall be deemed a party to and bound by any such writing executed or action taken by the General Partner reflecting such amendment, restatement, waiver or other modification of this Agreement.

13.2 Successors. Except as otherwise provided herein, this Agreement shall inure to the benefit of and be binding upon the Partners and their legal representatives, heirs, permitted successors and assigns.

13.3 Governing Law; Severability. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflict of law rules thereof, and, to the maximum extent possible, in such manner as to comply with all the terms and conditions of the Partnership Act. If it is determined by a court of competent jurisdiction that any provision of this Agreement is invalid under applicable law, such provision shall be ineffective only in such jurisdiction and only to the extent of such prohibition or invalidity, without invalidating the remainder of this Agreement.

13.4 Notices. All notices, demands and other communications to be given and delivered under or by reason of provisions under this Agreement shall be in writing and shall be deemed to have been given on the date when personally delivered, three (3) Business Days after being mailed by first class mail (postage prepaid and return receipt requested), when transmitted by email (if sent before 5 p.m. Dallas, Texas time on a Business Day (and otherwise on the next Business Day)), or on the first Business Day after being sent by reputable overnight courier service (charges prepaid), in each case to the recipient at the address or email address set forth in Schedule I or to such other address or email address or to the attention of such other Person as has been indicated to the General Partner in accordance with the provisions of this Section 13.4;

provided that notices to the General Partner under Section 7.14 shall not be effective until received by the General Partner; provided further that the General Partner may, in its discretion, provide any notice, report, request, demand, consent or other communication to a Limited Partner by posting such notice or other communication on the Partnership's web-accessed secure portal and such notice or other communication shall be deemed to have been given when notice of the posting thereof has been given in accordance with the provisions of this Section 13.4. The General Partner may agree to limit or condition the use of any particular manner of notice described herein as it relates to one or more Limited Partners at such Person's request (which agreement shall not be a side letter or similar agreement for purposes of Section 13.8).

13.5 Legal Counsel. Each Partner hereby agrees and acknowledges that:

(a) The General Partner has retained legal counsel in connection with the formation of the Partnership and expects to retain legal counsel (collectively, "Law Firms") in connection with the operation of the Partnership, including making, holding and disposing of investments.

(b) Except as otherwise agreed to by the General Partner in writing in its sole discretion, the Law Firms are not representing and will not represent the Limited Partners, the Parallel Fund Limited Partners or [REDACTED] in connection with the formation of the Partnership, the Parallel Fund or [REDACTED], respectively, the offering of limited partner interests therein, the management and operation of the Partnership, the Parallel Fund or [REDACTED], or any dispute that may arise between the Limited Partners, the Parallel Fund Limited Partners and/or [REDACTED] on the one hand and the General Partner, the Parallel Fund General Partner, [REDACTED], the Management Company and/or the Partnership, the Parallel Fund or [REDACTED] on the other hand (the "Partnership Legal Matters"). Except as otherwise agreed to by the General Partner in writing in its sole discretion, each Limited Partner shall, if it wishes counsel on a Partnership Legal Matter, retain its own independent counsel with respect thereto and shall pay all fees and expenses of such independent counsel.

(c) Each Limited Partner hereby agrees that the Law Firms may represent the General Partner, the Parallel Fund General Partner, [REDACTED], the Management Company and/or the Partnership, the Parallel Fund or [REDACTED] in connection with any and all Partnership Legal Matters (including any dispute between the General Partner and one or more Limited Partners except as otherwise agreed to by the General Partner in writing in its sole discretion) and waives any present or future conflict of interest with Kirkland & Ellis LLP regarding Partnership Legal Matters.

13.6 Miscellaneous.

(a) Entire Agreement. This Agreement, together with each Limited Partner's Subscription Agreement, contains the entire agreement among the respective parties with respect to the subject matter hereof and supersedes all prior arrangements or understandings with respect thereto; except that, notwithstanding Section 13.1 or any other provision of this Agreement or any Subscription Agreement, the Partnership and/or the General Partner may enter into, perform, amend, modify, waive or terminate side letters and similar written agreements to or with any

Limited Partner(s) that have the effect of adding to or modifying the respective rights and obligations with respect to the subject matter hereof and/or the terms of this Agreement or any Subscription Agreement as among the parties thereto without the consent of any other Limited Partner, and no Limited Partner not a party to any particular side letter or similar agreement is intended to be a third-party beneficiary thereof. Any rights or obligations (including rights or obligations under this Agreement or any Subscription Agreement) established or modified in such a side letter or similar agreement shall govern solely with respect to such Limited Partner(s) (but not any such Limited Partner's assignees or transferees unless so specified in such side letter or similar agreement or otherwise determined by the General Partner in its sole discretion) notwithstanding any other provision of this Agreement (other than Section 13.8) or any Subscription Agreement. In addition, the Partnership, the General Partner and/or any of their respective affiliates may enter into, perform, amend, modify, waive or terminate agreements with one or more [REDACTED] and/or any Portfolio Company and/or affecting the General Partner's determinations with respect to the Partnership, any Limited Partner and/or any Portfolio Company.

(b) Counterparts; Delivery of Original Forms. This Agreement, the agreements referred to herein, and each other agreement or instrument (including any joinder or deed of adherence) entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, may be executed in any number of counterparts, any one of which need not contain the signatures of more than one party, but all of such counterparts together shall constitute one agreement, and to the extent such agreement or instrument is signed and delivered by means of electronic transmission, it will be treated in all manner and respects as an original agreement or instrument and will be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each party hereto or thereto will re-execute original forms thereof and deliver them to the requesting party. No party hereto or to any such agreement or instrument will raise the use of electronic transmission to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of electronic transmission as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

(c) Descriptive Headings. Descriptive headings are for convenience only and shall not control or affect the meaning or construction of any provision of this Agreement.

(d) Construction. Unless the context otherwise requires: (i) a term has the meaning assigned to it; (ii) "or" is not exclusive; (iii) words in the singular include the plural, and words in the plural include the singular; (iv) provisions apply to successive events and transactions; (v) the words "herein," "hereof" and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section or other subdivision; (vi) all references herein to Articles, Sections, Schedules, paragraphs, subparagraphs and clauses shall be deemed to be references to Articles, Sections, paragraphs, subparagraphs and clauses of, and Schedules to, this Agreement unless the context shall otherwise require; (vii) any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms; (viii) the words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation"; (ix) the word "extent" in the phrase "to the extent" shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply "if"; (x) references

to “\$” or “dollars” shall mean United States dollars; (xi) unless otherwise expressly provided herein, any agreement, instrument or statute defined or referred to herein or in any agreement, instrument or statute that is referred to herein means such agreement, instrument or statute as from time to time amended, restated, waived or otherwise modified or supplemented, including (A) in the case of agreements or instruments, by waiver or consent, and (B) in the case of statutes, by succession of comparable successor statutes, and references to all attachments thereto and instruments incorporated therein; (xii) references to the “United States” or the “U.S.” shall include the District of Columbia and any state, territory or other governmental jurisdiction of the United States, in each case, as the General Partner determines in its sole discretion to be appropriate; (xiii) all references to any Partner shall mean and include such Partner and any Person duly admitted as a partner in the Partnership in substitution therefor in accordance with this Agreement, unless the context otherwise requires; and (xiv) all references herein to “securities” shall not be limited in meaning to “securities” as such term is defined in the Securities Act, but instead shall be deemed to include any Partnership investment, including voting or non-voting common, preferred or other equity shares, reorganization certificates and subscriptions, warrants, rights, subscription rights, put or call options, total return swaps and other derivative, synthetic or contractual instruments or similar arrangements, trust receipts, certificates, units or interests, partnership interests or units, limited liability company member or manager interests or units, convertible debt securities and other equity and equity-related securities, loans and any debt securities or other evidences of indebtedness or debt obligations, whether or not liquidated, disputed or contingent (or participations therein), including receivables, high-yield bonds and trade claims, choses in action, and other property or interests commonly regarded as securities and interests in personal property of all kinds, tangible or intangible. In the event that the Partnership (x) makes an investment by acquiring a participation interest (or other similarly structured investment) and/or (y) holds multiple investments in a single holding company (including the Holding Company), the General Partner shall interpret the definition of “Portfolio Company,” and any references to an investment in a Portfolio Company (and similar references) in a manner it reasonably believes effectuates the intent and purposes of this Agreement. Notwithstanding any other provision of this Agreement or otherwise applicable provision of law or equity, whenever in this Agreement the General Partner or any other Person is permitted or required to make a decision (1) in its “sole discretion” or “discretion” or under a grant of similar authority or latitude, such Person shall be entitled to consider only such interests and factors as it desires, including its own interests, subject to the General Partner’s fiduciary duty to the Partnership and the Partners under applicable law, including the Partnership Act, as such duties are modified by this Agreement other than this clause (1), or (2) in “good faith” or under another expressed standard, such Person shall act under such express standard and shall not be subject to any other or different standards. Each Limited Partner acknowledges that it participated in, or had the meaningful opportunity to participate in, the negotiations and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed to be the product of meaningful individualized negotiations between the General Partner and each Limited Partner and, to the maximum extent not prohibited by applicable law, no presumption or burden of proof shall arise favoring or disfavoring any Partner by virtue of the authorship of any of the provisions of this Agreement.

(e) Further Assurances. Each Limited Partner hereby covenants and agrees on behalf of itself and its successors and assigns, without further consideration, to prepare, execute, acknowledge, file, record, publish and deliver such other information, instruments,

documents, tax forms and statements (including any information in relation to any tax or Foreign Account Reporting Requirements) requested by the General Partner and to take such other actions as may be necessary, advisable or appropriate to enable the General Partner to effectively carry out the purposes of the Partnership and this Agreement. The General Partner may agree to limit or otherwise modify a Limited Partner's obligations pursuant to this Section 13.6(e), and any such agreement shall not be a side letter or similar agreement for purposes of Section 13.8.

13.7 No Third Party Beneficiaries. Except as otherwise expressly set forth in Section 6.2, with respect to the Partnership's creditors that have provided indebtedness to the Partnership for borrowed money that remains outstanding, (a) no Person (including creditors of the Partnership) that is not a party hereto shall have any rights or obligations pursuant to this Agreement, (b) the provisions of this Agreement are intended to benefit the Partners and, to the maximum extent not prohibited by applicable law, shall not be construed as conferring any benefit upon any creditor of the Partnership and (c) in no event shall any provision of this Agreement be enforceable for the benefit of any Person other than the Limited Partners, the General Partner and their respective successors and assigns. To the maximum extent not prohibited by applicable law, neither the Limited Partners nor the General Partner shall have any duty or obligation to any creditor of the Partnership to make any contribution to the Partnership or issue any Capital Call Notice or recall any distribution, except as specifically provided in this Agreement. The provisions of this Section 13.7 shall be subject in each case to the provisions of Section 9.6(d).

13.8 Side Letters. Each Limited Partner shall be entitled to receive a copy of any side letter or similar agreement provision that any Limited Partner, Parallel Fund Limited Partner or [REDACTED] received from the Partnership, the Parallel Fund, [REDACTED] the General Partner, the Parallel Fund General Partner or [REDACTED] in connection with the admission of such Person to the Partnership, the Parallel Fund or [REDACTED] that is materially different than any side letter or similar agreement provisions disclosed to such Limited Partner in writing prior to such Limited Partner's admission to the Partnership.
