Notes: The boxed areas of the grid are components of each plan most often used by members when choosing a plan option, but are not all inclusive. You can refer to the Summary of Benefits and Coverage (SBC) for more information. KEHP has made every attempt to ensure the accuracy of the benefits outlined in this Benefits Grid. If an error has occurred, the benefits outlined in the 2026 Summary Plan Descriptions (SPDs) and Medical Benefit Booklets will determine how benefits are paid. Benefits are subject to the terms, conditions, limitations, and exclusions set forth in the SPDs.

- Co-pays do not accumulate toward the Deductible, but they do accumulate toward the applicable Maximum Out-of-Pocket. Once your Maximum Out-of-Pocket is met, you do not have to pay any more Co-pays.
- Certain drugs to treat diabetes, COPD, asthma, and hypertension are subject to reduced Co-pays and Co-insurance with no Deductibles. A 90-day supply of maintenance drugs may be subject to lower Co-pays and Co-insurance. Select preventive/maintenance drugs bypass the Deductible on the CDHPs.
- Claims are processed based on provider billing type, which may include separate charges from a lab performing services outside of the doctor's office visit.

* The HDHP has a non-embedded Deductible which means all family members share a Deductible and out-of-pocket (OOP) maximum, regardless of the number of family members. The entire Deductible must be met before any one family member receives benefits. The entire OOP must be met before the family has satisfied the OOP maximum.
